**Vegetable Fever and Auce and anti-Fever PILLS.**

Among all the advertised remedies of the day for ague and Fever, or Chill and Fever, none seem to meet with such rapidity of sale and give so much general satisfaction, as Dr Hull's celebrated PILLS. Whenever they have been introduced, all tonics in whatever shape, all mixtures and Pills and preparations of every character, designed for this disease, have been discarded, and Dr. Hull's Auce Pills have been received as the only permanent cure.

They stop the Chills and Fever the first day, and do not sicken the stomach or operate on the bowels. Young children and persons of all ages sexes, and conditions may use these Pills, not only with safety, but with the certainty of success.

Reader, please notice the following testimony from your own friends and neighbors:

*"Abbeville District, April 9, 1846.*

"This is to certify that I have sold several dozen boxes of Dr Hull's Vegetable Fever and Auce Pills within the last three years, and have used several boxes in my own family, and I have never known them fail curing the Chills and Fever in a single instance. I would recommend all those persons subject to Chills and Fever to use Dr. Hull's Pills.

[signed] JOHN KELLER.

Mr Lewis Covin, of Abbeville District, says he has known the Chills and Fever of twelve month's standing completely cured by taking only half a box of Hull's Auce and Fever Pills.

Mr B Gassaway, of Anderson District, writes, in the fall of 1844, "I was severely attacked with the Chills and Fevers, which continued on me until February, 1845. I tried several remedies, and was for sometime under the treatment of a Physician, but received no lasting benefit from his prescriptions; my disease continued to increase in the frequency and severity of its attacks. I at last had recourse to Dr Hull's Vegetable Fever and Auce Pills, and in using only one box was permanently cured, and have remained in good health ever since. I think they are a superior remedy in Chills and Fevers, and would cheerfully recommend them to all persons subject to this complaint."

We might give scores of references and certificates, but we refer the reader to our agents, where they may obtain a pamphlet (gratis) giving a full description of the medicine and its manner of use.

Price, \$1 per box.

**Dr. Hull's Cough Lozenges.**  
Every family in the United States should keep a supply of Dr. Hull's Cough Lozenges in the house, not only as a preventive medicine against the consumptive tendencies of the climate, but as an effectual remedy in all cases of Coughs and Colds.

*Cedar Grove, Abbeville Dis. Ap'l 9, '46*

The Travelling Agent of Drs Hull and Spencer left us about eighteen months since what he thought a supply of Dr Hull's Cough Lozenges. Since then we have sold them all out and could have sold as many more if we had been supplied. We have made use of them ourselves and in and in our families, and consider them an excellent medicine for the relief of Coughs, Colds, and all Pulmonary complaints.
