To the Public.

For Greenwood Association ensuing year, I shall teach both the Male and the Female Accademies. Case of Instruments.—Compass and Chain—Globes—2 Pianos—Black board—Chemical Apparatus, and the long used Academical houses are all in readiness. I employ no corporeal punishment whatever, in my mode of teaching; a child during his pupilage, if treated as a rational being needs the application of neither the birch, nor ferule, still my discipline is rigid—parental, and peculiarly my own.

I graduated in Columbia College, S. C. with the Class of 1833, since which time my occupation has been that of a Teacher, and persons desirous of satisfying themselves as to the efficacy of my plan of instruction, are particularly requested to call and see for themselves, my Family School, to be sure, that it is new; that it is no imposture, and will tell for itself upon mere children.

The scholastic year will be ten and a half months, commencing first Monday in January next.

Per Tuition, 3 rates, according to studies.

Rate 1st $20, 2d $24, 3d $30, the year.

Music $15 per Session.

Dancing (if desired) $5 per Session.

Manual of Arms: Broad Sword Exercise.

Use of Needle—Embroidery, Drawing and Painting, gratis.

Boarding, fuel excepted, $8 per month.

Books whatever books are required by the College, for which the Student is preparing.—For Girls a select and extensive course. Suitable Assistants will be employed, and I, moreover, expect a Lady from New York, fully competent to teach French.
