The following, which we extract from the Camden Journal, is from the Rev. E. L. Frazer, of Kershaw District, S. C. Farmington, Kershaw Dis., S. C. } May 19, 1846. }

I have used in my family Dr. Hull's Fever and Ague Pills, and also Dr. Spencer's Vegetable Pills, for the last two years, and have no hesitation in pronouncing them to be the most excellent family medicines—and as an act of justice to the worthy proprietors of these invaluable Pills, I will state, for the information & satisfaction of all concerned, that my wife, prior to our marriage, had been more or less the subject of chills and fevers for about eighteen months, having tried various remedies without success, and was very much reduced in flesh. A few days after our marriage, she commenced with Spencer's Pills, and in a day or two afterwards with Hull's Pills; she used about half a box of each; the result was a radical cure. She regained her health and strength very rapidly, and has had no return of Chills and Fever since. I believe these Medicines to be harmless and safe; and when used as specifically directed, are attended with satisfactory results. S-pt 15 1m E. L. FRAZER. The above Medicines are for sale in this village at the Drug Store and at the Post office.
