

Male and Female High Schools, Greenwood, Abbeville S. C.

In urging the claims of the above Institutions to public patronage, the Trustees present the following considerations: They are located in a Village well known for the purity of its water, the salubrity of its climate, and moral character of its inhabitants. They are designed to afford a thorough and extensive education, conducted upon religious principles. They are supplied with chemical and philosophical apparatus, a cabinet of minerals, and curiosities, and other means for illustration, in the various departments of science. They will always be furnished with teachers, for whose competency in every respect, is pledged the character of the Greenwood Association and of the South Carolina Presbytery.

The Trustees will spare no pains to render these Institutions equal to any in the State; and while it is their aim to elevate the standard of education, ample provision will be made for the youngest pupil. A system of classification with regard to capacity and attainments will be rigidly observed, thereby rendering it important that pupils enter at the beginning of the season. The scholastic year will consist of ten months and be divided into two sessions: 1st commencing first Monday in February, 2nd commencing second Monday in July.

Rates of Tuition are as follows, per Session:

MALE SCHOOL.		FEMALE SCHOOL.	
1st class,	\$18.00	1st class,	\$15.00
2d do	10.00	2d do	10.00
3d do	6.00	3d do	6.00
		Extra—Music,	20.00
		French,	5.00
		Use of Piano,	2.00
