

Male and Female High Schools, Greenwood, Abbeville S. C.

In urging the claims of the above Institutions to public patronage, the Trustees present the following considerations: They are located in a Village well known for the purity of its water, the salubrity of its climate, and moral character of its inhabitants. They are designed to afford a thorough and extensive education, conducted upon religious principles. They are supplied with chemical and philosophical apparatus, a cabinet of minerals and curiosities, and other means for illustration, in the various departments of science. They will always be furnished with teachers, for whose competency in every respect, is pledged the character of the Greenwood Association and of the South Carolina Presbytery.

The Trustees will spare no pains to render these Institutions equal to any in the State; and while it is their aim to elevate the standard of education, ample provision will be made for the youngest pupil. A system of classification with regard to capacity and attainments will be rigidly observed, thereby rendering it important that pupils enter at the beginning of the session. The scholastic year will consist of ten months and be divided into two sessions: 1st commencing first Monday in February, 2nd commencing second Monday in July.

Rates of Tuition are as follows, per Session:

MALE SCHOOL.	FEMALE SCHOOL.
1st class, \$18.00	1st class, \$15.00
2d do 10.00	2d do 10.00
3d do 6.00	3d do 6.00

Extra—Music, 29.00
French, 5.00
Use of Piano, 2.00
Contingent, .50

WARE-HOUSE AND COMMISSION BUSINESS—Hamburg, S. C.

The subscriber begs leave to inform his friends and the public generally, that he will continue the Ware-House and Commission Business, at the Brick Store Depot. The convenience of this establishment is too well known to require much comment. Cotton and other Produce once in store can be put on the Rail Road without the additional expense of drayage, &c.; which is certainly an item worth notice, both to merchants and planters.

My charges will be as reasonable as other like concerns in the place, and the usual facilities given to those who may give me their patronage.

They propose to carry on exclusively the WAREHOUSE and GENERAL FACTORAGE BUSINESS, under the firm of GEIGER & PARTLOW.

Having engaged an experienced and competent assistant, in addition to their own personal attention, and possessing means to make liberal advances on produce consigned to their care, they hereby tender their services to Planters, Merchants and others, in the STORAGE and SALE of COTTON, FLOUR, BACON, and other PRODUCE, in RECEIVING and FORWARDING MERCHANDISE, and PURCHASING GOODS to ORDER.

Extract from the New York Express.

It is seldom that we step out of our way to notice, either for praise or censure, the various advertisements of the day; and could we believe in the truth of all the certificates which are published in favor of some of them, there would be no call for our praise certainly. But from a personal knowledge of their virtue, we are willing to record our unsolicited testimony in favor of Dr. Hall's Worm Lozenges; they being in our opinion an infallible remedy for that bane of childhood—worms. Safe in their operation, easily administered, and what to us is a great recommendation in a medicine for children, they are not nauseating, but actually pleasant to the taste. We have used them in a number of cases in our family, and in each and every case with complete success; and we take pleasure in recommending them to our patrons and friends, not only as a cure for worms, but as a thorough and easily administered cathartic or purgative medicine, where such is needed, or where worms are suspected.

The above medicine is for sale at the Drug Store and at the Post Office. [Nov 37 1m]

The Daily National Whig,

Is published in the city of Washington, every day at three o'clock, P. M., Sundays excepted, and served to subscribers in the City, at the Navy Yard, in Georgetown, in Alexandria, and in Baltimore the same evening, at 6 1/2 cents a week, payable to the sole agent of the Whig, G. L. Gilchrist, Esq., or his order. It is also mailed to any part of the United States for \$4 per annum, or \$2 for 6 months, payable in advance.

The National Whig is what its name indicates. It speaks the sentiments of the Whig party of the Union on every question of public policy. It advocates the election to the Presidency of Zachary Taylor, subject to the decision of a Whig National Convention. It makes war to the knife upon all the measures and acts of the Administration deemed to be adverse to the interests of the country, and exposes without fear or favor the corruptions of the party in power. Its columns are open to every man in the country, for the discussion of political or any other questions.

In addition to politics, a large space in the National Whig will be devoted to publications upon Agriculture, Mechanics, and other useful arts, Science in general, Law, Medicine, Statistics, &c. Choice specimens of American and Foreign Literature will also be given, including Reviews, &c. A weekly list of the Patents issued by the Patent Office will likewise be published—the whole forming a complete family newspaper.

The Weekly National Whig, one of the largest newspapers in the United States, is made up from the columns of the Daily National Whig, and is published every Saturday for the low price of \$2 per annum, payable in advance. A double sheet of eight pages will be given whenever the press of matter shall justify it.

The Memoirs of General Taylor, written expressly for the National Whig, are in course of publication. They commenced with the second number, a large number of copies of which have been printed, to supply calls for back numbers.
