Official Paper of Beaufort County.

THE Charleston News and Courier, paper that has raised more frivolous points of law than any other paper in the State, and has been such a stickler for following cut the law to the very letter. sustains the action of Judge Reed, in opposition to the decision of the Supreme court, that there is no warrant of law for the appointment of experts to assist grand juries. It makes all the difference in the world as to whose ox is gored.

GEN. Gorden in presenting a petition to Congress for the improvement of the harbor of Brunswick, said that this harbor was probably the best South of New York, except a harbor on the South Carolina coast, (referring to Port Royal.)

This harbor of Port Royal wants ernment ought, for the accommodation of its increasing commerce, to make provisions for the establishment of range

The people of Savannah deserve great credit for the zeal and energy they have displayed in endeavoring to advance their city to the dignity of a naval station. They are undoubted'y correct in claiming supe riority over Port Royal in the matter of pretended reformer who proclaims a differential einematter of the control of th provisions and fresh water.
