C., came to Greenville in company, and after remaining for about a month, made their departremaining for about a month, made their departure, each without paying his bill. The ferroer is a stone cutter, and the latter represents himself as being a well-digger. Mahagy is about 35 years old, weighs about 175 or 180 pounds, blue eyes, dark hair, and is somewhat lame, from having received a drunken fall. When last heard of was making for Tunnel Hill. McDaniel is a tall, slender fellow, weighs about 150 pounds, and of a dark awarthy complexion, having recently field the chills and fever. I make this public, that other hotel-keepers may not be imposed upon by them and similar characters, and would warn them to be upon the look out for these fellows, and "pass them around."
