

Special Notices.

Important to Stammerers. We invite attention to the following letters as testimonials of the eminent success of Dr. Wyckoff in his treatment of those having the above defect:

To the Public: Dr. Wyckoff is operating in this city, for the cure of stammering and stuttering, and having had an opportunity to witness his process, I feel it my duty to say that I have entire confidence in the general success of his plan of treatment, and I should predict a cure in all cases—I beg further to say, that having had business relations with Dr. W. I have found him gentlemanly and reliable, and I most cordially recommend him to all who may need his professional services.

[Signed] J. M. BAIRD, Editor and Publisher of Pittsburgh Christian Advocate.

The following is a certificate from the son of General Leslie Combs, of Kentucky: Dec. 16th, 1855.

Dr. Wyckoff—Sir—From my own experience in your cure for stammering and stuttering, I can assure all persons who may labor under either of the above named impediments of speech, that your cure is beyond a doubt. I have been under the treatment of several eminent men, but all to no effect. Very reluctantly I consented to try your world renowned cure, which I am to say, it cured me immediately. I shall always remember you with gratitude.
