Vegetable Nervous Cordial, OR **NATURE'S GRAND RESTORATIVE,** (Price one dollar and fifty cents.)

It is confidently recommended as the most efficacious medicine, for the speedy relief and cure of all nervous complaints attended with inward weakness, depression of spirits, head ache, tremor, faintness, hysteric fits, debility, seminal weakness, and various complaints, resulting from secret impropriety of youth and dissipated habits, residence in warm climates, the immoderate use of tea, the unskilful or excessive use of mercury, so often destructive to the human frame, disease peculiar to females at a certain period of life.

Under the denomination of nervous disorders, are included several diseases of the most dangerous kind, and are so various, that a volume would hardly suffice to complete a description of them. It pervades, with baneful influence, the whole nervous system, writhing the heart with inexpressible anguish, and exciting the most dreadful suggestions of horror and despair. To this demon have thousands fallen a sacrifice, in the direful transports of its rage.

The most common symptoms at its commencement, are weakness, flatulence, palpitations, watchfulness, drowsiness, cramp, giddiness, pain in the head, back and joints; hiccup, difficulty of respiration and deglutition, dry cough, &c. &c.

Worms which afflict the human body, are chiefly of three kinds, viz. *Tenia*, or Tape Worm; the *Texas*, or Round and Long Worm; and the *Ascarides*, or Round and Short Worm. There are many kinds of Worms, found in the human body, but they proceed, in a great measure, from similar causes—have nearly the same symptoms, and require the same method of treatment as those already mentioned.

Though numberless medicines are extolled for expelling and killing Worms, none are equal in efficacy to **Dr. Dyott's Worm Destroying Lozenges:** they are

mild in their operation, and may be given to the youngest infant with safety.

DR. DYOTT'S

Anti-Bilious Pills.

For the prevention and cure of bilious and malignant fevers.

(Price 25 cents—large boxes 50 cents.)

These Pills, if timely administered, will remove the causes which commonly produce yellow fever, bilious fever, ague and fever, cholick pains, flatulencies indigestion, costiveness, hypochondriac and hysteric complaints.

They are particularly serviceable in Female disorders and especially in the removal of these obstructions which are the great source of their complaints at certain periods, they possess, this eminent advantage over most other purgatives, while they operate gently, they produce neither costiveness, debility nor too great excitement. When ever there is a predisposition to a disease arising from marsh effluvia, a too copious use of ardent spirits or a vitiated state of the bile, they are sure to relieve.

They are highly recommended to travellers by sea and land, as they may be made use of with the utmost safety, without change of diet or exercise. They will be found peculiarly beneficial to the prevention of disorders incidental to hot climates, they deluge and cleanse viscid humors, open obstructions and promote the secretion of good bile, operating as an easy cathartic, as a powerful diuretic and diaphoretic.
