# State Record of the Names of Deceased Soldiers.

SOUTH CAROLINA COLLEGE, ) COLUMBIA, January 16, 1865.

UNDER APPOINTMENT BY THE LEGISLATURE to prepare this Record, I carnostly appeal to the families or friends of our deceased soldiers to send me at once their name, &c., while there is an op portunity to secure accurate information. Hospital registers and reports of casualties from the army are deflicient in the information required; it must be obtained at home.

The Record will date back to the beginning of the war, and includes all who have been killed in battle or died of wounds received in battle, or from disease oraccident. If you have been so fortunate as not to lose friend or relative, yet remember that it is noble to rescue from oblivion the name of but one friendless youth who flad gone from your neighborhood to die in our cause.

Givo—1. Name in full. 2. From what District. 3. Rank. 4. Company. 5. Regiment and arm of service. 6. Died, year, month, day. 7. Cause of death, and re-

marks (as when he died, age, previously wounded, &c. Circulars and blanks to be filled will be sent to such as desire them. No fee or expense is incurred by any one for I aving the record made. The State is endeavoring to fulfil a sacred obligation in securing now and recording for posterity, the names of all our sons who have fallen in this war. In 1862, the Convention unanimously resolved that this should be done, "as a token of respect to their memories, and a legacy of in-estimable value to their friends," and the resolution was sent forth, by their order, to be read to our regime ats, battalions and companies everywhere. Many a brave soldier may have died in solitude or rushed upon the foc; with the thought in his heart that his name would be honorably preserved at home.
