CIRCULAR.

To the Soldiers' Aid Societies of S. C.
In answer to the numerous enquiries which have been made by the different "Aid Societies" which have been recently formed throughout the State, I have been intrusted by his Excellency Gov. PICKENS, to give the following information.

Depots will be established by the Quartermaster General, both in Charleston and Columbia, for the reception of all donations of clothing; and he is also charged with the duty of forwarding and distributing the same.

The "Department" will receive all donations of clothing, say frock coats and pantaloons, of heavy worsted goods, shirts and drawers, of heavy homespun or flannel, wool, or heavy cotton socks, blankets, new or second hand, also heavy shoes.

The plan upon which the State designs supplying her soldiers with all necessary clothing, is based upon their willingness to surrender to the State the amount of money appropriated by the Confederate Government for this purpose, say forty-two (\$42) per annum, this sum not now being sufficient in consequence of the greatly advanced cost of material. It is in view of this fact that these laudable "Associations" of ladies and gentlemen, are cordially welcomed as coadjutors in this noble work, and in proportion to their voluntary contributions of labor and materials, will the absolute cost of clothing for our gallant volunteers be reduced.

In the event that any of the "Associations" should not feel themselves able to furnish both material and labor, the Quartermaster General is instructed by his Excellency the Governor, to reimburse such Associations the cost of all materials, at a rate not exceeding similar materials purchased by the "Department," and the quantity allowed for each garment shall be the same as used in our Manufacturing Bureau.

Societies are particularly requested to advise the Quartermaster General of the quantity of work they can do per week, and the amount of donations they will probably send.

To prevent confusion and loss, the following method for marking packages should be strictly observed. All Societies near Charleston, should ship to Charleston and mark thus:

No. 1. TO QUARTERMASTER GENERAL, CHARLES-
TON, S. C.

From Aid Society at (here insert place) gratis.

Societies near Columbia, should ship
No. 1. TO ASSISTANT QUARTERMASTER GENERAL, COLUMBIA, S. C.

From Aid Society (here insert place), carrying a
"boy?" "You
bered from one (1) upwards, y, does ye ma'am?"

accompany each shipment.
