CONFEDERATE STATES OF AMERICA.

DISTRICT OF SOUTH CAROLINA.

THE UNDERSIGNED HAVING BEEN AP- pointed Receiver by the Hon. A. G. Magrath for the Districts of Fairfield, Kershaw and Sumter, would most respectfully announce to the citizens of the respective districts, that he is now prepared to discharge the duties that devolve upon him by virtue of said office.

I have no doubt that instances may arise where the duties properly discharged may be disagreeable to the parties interested, but relying upon the patriotism and loyalty of our citizens for their assistance in defending the provisions of the law, I shall expect such assistance to be cheerfully tendered, and in all cases that may arise, yield every consideration in my power, the nature of the case may admit of, to such persons as may be affected by its operation; in the mean time I shall endeavor to do my duty to the full extent and letter of the law, and abide the consequences. The Act of Confiscation on the part of the United States deprives our citizens of the property without hope of remuneration; the act of Sequestration based upon principles recognized by the civilized world is intended to reimburse our citizens of the property thus de- ceeded to belong to our enemies.

I would therefore call upon all the citizens of the Districts aforesaid, to aid me by giving such information as they possess of any property, personal or real, that may belong to any citizen who may be recognized as an "Alien Enemy," also all indebtedness in any manner, shape or form, due or payable to citizens of the United States (except Maryland, Kentucky and Missouri) by the citizens of Fairfield, Kershaw and Sumter.

For the information of those who may be interested, I would respectfully call attention to the following provisions of the law

1st. It shall be the duty of every citizen to give all the information he may possess to the proper officers of any lands, tenements, hereditaments, goods, chat- tels, rights and credits within the Confederacy, as held, owned, possessed or enjoyed by any one, for the use and benefit of any "alien enemy" since 21st May, 1861.

2d. It shall be the duty of every Attorney, Agent, Partner or Trustee holding the property referred to, or having any interest therein for an alien enemy, to in- form the Receiver of the same, and to render a strict account thereof, and to place the same (as far as prac- ticable) in the hands of the said Receiver, whereupon such person shall be fully acquitted of all responsi- bility for property so reported

3d. Any person failing to give such information and render such account shall be guilty of a high misde- meanor, and upon indictment and conviction shall be fined in a sum not exceeding \$5000, and imprisoned not longer than six months, and shall further be liable to pay double the value of such property held by him or subject to his control.

NOTE.—All persons who have a domicile within the States with which this Government is at war, no mat- ter whether they be subjects of Great Britain, France, or any neutral nation, or whether they be citizens of the U. S. or not, if they have a domicile or carry on any trade, traffic or business within such boundaries, they are to be recognized as Alien Enemies under the law.
