R. SPRINGER. STATE OF SOUTH CAROLINA.

EXECUTIVE COUNCIL CHAMBER, ? COLUMBIA, S. C., April 24, 1862.

FOLLOWING RESOLUTIONS were adopted by the Governor and Coun-

cil, and were ordered to be published: The Congress of the Confederate States of America having passed an Act entitled "An Act to Further Provide for the Public Defence,? approved April -, 1862, which authorizes the President to call out and place in the military service of the Confederate States for three years, unless the war shall have been sooner ended, all white men who are residents of the Confederate States between the ages of eighteen (18) and thirty-five (35) except those exempt by law, the Governor and Council, as representing the authority of the State, are induced to waive, for the present, all objections to the measure, and to give it a cheerful and energetic support, upon the ground of imperious public necessity. The operation of the Act aforesaid takes all the material of armies between the ages mentioned from the control of the State, whether for active duty in the field or for internal and police defence. To meet this new condition of things it becomes necessary that the State shall adopt further measures to organize its forces and provide for its defence. Therefore, be it

Resolved, That a State Reserve Force shall be organized as promptly as practicable, to

consist of two corps.

2. That the first corps shall embrace all male citizens of this State between the ages of thirtyfive (35) and fifty (50) years, who shall be held for active service wherever required by the State authorities, and be still subject to the performance of patrol and police duty until called into active service.

3. That the second corps shall embrace all those persons who are by law exempted from ordinary militia duty, all alien residents, and all male citizens between the ages of sixteen (16) and eighteen (18) and fifty (50) and sixtyfive (65) years, who shall be held for the per-formance of patrol duty and for the internal defence of the State when required.

4. That to effect the organization of the several corps of reserves, it shall be the duty of the Adjutant and Inspector-General to cause a prompt and accurate enrollment of all persons embraced within the two classes specified, as well as those embraced in the said Act of Congress, specifying in each case on the roll with the names the exemptions, if any, and the causes and evidences thereof; the age, and the dtstrict, parish, regiment and beat company within which the persons respectively may reside. And for this purpose the Adjutant and Inspector-General shall employ the agencies provided in the first resolution adopted by the Governor and Council on the 6th of March 1862, to comply with the requisition made by the Secretary of War for five regiments from this State; and he will use such other instrumentalities as he may deem proper. By order of the Governor and Council.

B. F. ARTHUR,

Secretary.

Jackson's Victory in the Valley of Virginia.

RICHMOND, May 10 .- The following official despatch was received at the War Office this

> VALLEY DISTRICT. May 9.) (via Staunton, may 10.)

To Genrral S. Cooper, Adjutant General:-God blessed our arms with victory at McDowell's yesterday.

[Signed]

T. J. JACKSON, Major-General

A despatch to Governor Letcher, this morning, says that General Jackson telegraphs that we have gained a brilliant victory in the Valley and that the enemy is in full flight, hotly pursued. Onr loss is 40 killed and 200 wounded. The enemy's loss was heavy, and all his dead and wounded were left upon the field. Of the twelth Georgia Regiment, Captains Furlow, McMillan and Patterson, Lieutenants Turpin, Gouldware, and Woodward, were killed. Captain Dawson was hadly wounded.

May 11.-A later despatch to Governor Letcher, dated Staunton, Saturday evening, says that the enemy's loss at McDowell was 500 killed and wounded. In their flight the Yankee troops burned all their baggage and wagons. Our forces are pursuing them closely. Some of our wounded have arrived here.

Everything-property, life, all-says the Southern Christian Advocate, must be cast into the scale, or the weight of our enemy's metal and the malignity of hate and greed, will make his cause preponderate. We shall be weighed in the balances and found wanting. We may as well, at once, make up our mind to fight it out, and if our liberties are lost, to perish with our Government. If we survive it, we are to pay the expences of this war; we are to be ruled by immigrant Yankees in our own beloved land; we are to be kept in subjection to Northern law makers, by the bayonet. For one, we would be willing to see both our large armies going into the fight, when the impending conflict comes, with only the black banner floating over them. Let the cries "no retreat," "no surrender," "no quarter asked or given," "only victory or death," carry terror to the hearts of the cruel and wicked aggressors who seek our destruction. Such a sight and such sounds would appal them; and they who truly go into the battle with the spirit this course of action pre-supposes could not but conquer.

GEN. "STONEWALL" JACKSON. - A letter from near Winchester, speaking of events before our army evacuated the place says: At the Union prayer meeting (of all denominations) one afternoon, that gallant soldier and pious man, General (Stonewall) Jackson was present and led in prayer. At the upper table some professing Christians, when told of it, expressed regret at not having been present. Had they known "that Gen. Jackson was to have been there," they would certainly have gone .-Alas! they forgot that a greater than Jackson. or any other mere man, had promised to meet with his people, even the Lord of life and glory. It is certainly a gratifying fact, that General Jackson is an active, humble, consistant Christiau-restraining profanity and Sabbath-breaking-welcoming army colporteurs, distributing tracts, and anxious to have every regiment in his army supplied with a chaplain.' Would that all our leaders were men who thus served God, and looked up to Him for help .- Southern Christian Advocate.

THE YANKES AND THE NEGROS AT FERNAN DINA, FLA. - One hundred and fifty attempted to escape from their Yankee task masters the other day, at Fernandina, upon which they were fired on and fifteen of their number were killed or wounded.

The Yankees are fortifying Fernandin and have a large number of negros on their works. Whenever the negros have an They report that they are worked hard, get News.

The Victory, near Corinth.

RICHMOND, May 10 .- The War Office has received the following official despatch.

CORINTH, May 9. (via Mobile, May 10)

To Gen. S. Cooper, Adjutant General: We attacked the enemy to-day, and drove him from his position.

[Signed]

G. T. BEAUREGARD.

COTINTH, May 8 .- Bragg and Van Dorn advanced on the enemy at 11 o'clock this morning. After a sharp skirmish, which lasted three hours we drove the enemy two miles beyond Farmington, and beyond the bridge. Five thousand troops were engaged on each side. The Federal cavalry charged Robinson's Battery, but were repulsed in great confusion, their riderless horses running to our line. Our loss was small. Major Ingraham and Captain Leftwitch, of Gen. Van Dorn's staff, were dangerously wounded. We captured a large amount of clothing and knapsackt. The enemy's loss in killed and wounded was heavy.

May 9 .- I have just returned from the front. The enemy was driven across Seven Mile Creek, running like sheep. It appears that Gen. Pope's division of the Federal army alone occupied Farmington. Gen: Halleck, with the main part of the army, is still on the river. The Confederates loss is slight. The Federal retreat was so rapid that we were unable to capture many prisoners. Gens. Price and Van Forn led the attack. We captured the telegraph office at Farmington. - The Confederates are returning to Corinth. It is reported that the Confederate forces opperating down the Tennessee river have captured large numbers . of prisoners and a large amount of property at -Paris and Paducah.

Evacuation of Norfolk.

SUFFOLE, VA., May 10 .- Norfolk and Portsmouth were evacuated this morning by the Confederate forces. The Gosport Navy Yard, with the guard ships Plymouth, Germantown and Bethel were completely destroyed by fire. All the cotton that could not be removed to a place of safety, was also burned. The Dry Dock was effectively blown up in sections.

Much of the stock of the Bank of Louisians is owned by Frenchman, and it is said the coin and other valuables belonging to the subjects of France were placed in the Bank, and the French flag hoisted over it by order of the French Consul.

Sore THROATS -SALT AS A REMEDY -In these days, when diseases of the throat are so prevalent and in many cases so fatal, the use of common salt is recommended as an effectual remedy. We commenced by using it three times a day-morning, noon, and night. We dissolved a large table spoon sfull of salt in about half a tumbler full of cold water. With this we gargled the throat most thoroughly before meal time. The result has been that during the entire winter we were not only free from the usual coughs and colds to which so far as my memory extends, we have always been subject, but the dry, hacking cough has entirely disappeared. We attribute this satisfactory result entirely to the salt gargle.

YANKEE ANTICIPATIONS .- A New York pa per of the 4th ingt. savs:

The probe ole opening of all of the ports at an early day, from Richmond to New Orleans, has caused an excitement among the salt speculators, which is to be equalled by the excitement among the Boston and New York ice merchants. Applications are pouring into the Department for the privilege of sending South vessels freighted with ice and salt. The pro-Cosed tariff of 25 cents per sack and 18 cents in bulk per cwt. on salt, and the demand for the saline staple in the Southern markets. will, no doubt cause an upward tendency. Salt and ice are two commodities which will prove great blessings in the South at the present time. That is Yankee, all over.
