

NEW ORLEANS, Sept. 15.

From Texas.—We have this moment learned by an arrival from Galveston, Texas, the following information from that quarter. The election there has resulted in the elevation of Houston to the Presidency, and Lamar to the Vice Presidency. Another attempt, which proved unsuccessful, has been made by a Spaniard, of the name of Payes, to rescue Santa Anna. Upon being examined, he stated that he was employed for the purpose by the Mexican Consul of this city; this, however, is doubtless void of all foundation.

The armed Texian sch. Terrible had taken several Mexican prizes, which were sent in for adjudication.

The Texian army, about 3000 strong, had removed their encampment to the Garcite, near Matagorda Bay.

NACOGDOCHES, (Texas,) Aug. 29. Proclamation from Gen. Saml. Houston, to the citizens of Texas:

From reports which have reached me, I am induced to believe that our situation is unsafe; some Cherokees with the native Castilians, have returned to the Cherokee village from Matamoros and say that the Indians of the Prairie and a Mexican force are about to attack this portion of Texas. The counties of San Augustine, Sabine, Tanahaw and Beral, as well as Nacogdoches, will forthwith organize the militia of each county. The following requisitions are made to sustain the United States force at this place, until reinforcements can arrive at this place from Gen. Gaines, viz:

Sixty-four from San Augustine, fifty-six from Tanahaw, fifty-six from Sabine and thirty-three from Beral. The troops will repair to this place with the least possible delay, and report to the commanding general as soon as they arrive.

This call is made through the Judges of the several counties, and must be regarded as the law of the land; the troops will only be detained a few days, so soon as Gen. Gaines can send reinforcements to this place, they will be discharged.

Let arms and ammunition be brought; at least one hundred rounds are requested. The commander in chief will be with the freedom of Texas. If they have to meet an enemy all the men of Texas must have their arms in order—to have liberty, we must be watchful.

Signed, SAM. HOUSTON, com. in chief.

DR. D. DEWEES' ARTIFICIAL NIPPLE.

The Subscribers have just purchased a supply of the above instrument, which has been successfully used for the last two or three years for that distressing complaint, sore or excoriated nipples; or where the nipple is entirely wanting; or where the child's mouth is so sore that it cannot nurse on the natural nipple.—The artificial nipple is recommended by the highest medical authorities on the subject, in this country. Dr. Dewees of Philadelphia, and Dr. Sewall of Washington City, as the certificates annexed will attest; to which the medical faculty of this place, give their entire concurrence, having witnessed its successful application.

Dr. Elijah Pratt

As I feel it a matter of much public importance, to possess a means of lessening the terrible suffering from sore nipples; I have much pleasure in being able to say, that the shield you offer for the preventing and cure of this malady, is better adapted to the purpose than any I have hitherto seen. In two or three instances, I have known them to be used—such satisfaction has been expressed, and have no hesitation to believe, it will generally succeed. I am so well persuaded of this, at this moment, that I cannot forbear to express a wish, that our City, through the various Apothecaries, may be supplied with them.

I am, yours, &c. M. P. DEWEES, M. D. Philadelphia, Jan. 12th, 1834.

Washington City, February 4th, 1834.

Having examined Dr. Pratt's newly invented nipple shields, and witnessed its practical applications among my patients I take great pleasure in recommending it as decidedly superior to any thing previously known. It constitutes a perfect remedy for that distressing malady, sore nipples, a disease which so frequently afflicts nursing women.

THOMAS SEWALL, M. D. Prof. Anat. & Physiology, Columbus College, D. C.

The Instrument is accompanied with printed directions for its application, and preservation.—It can be packed up in a small compass, and sent to any part of the country by Stage—price \$5.—Address YOUNG & McKain, Camden, S. C.

APPEAL IN BEHALF OF

The Great Rail-Road,

To the People of S. Carolina

ON the Third Monday in October next, subscriptions will be opened for the

Stock of the Louisville, Cincinnati and Charleston Rail Road. Every citizen should subscribe for **One, or more Shares**, and all who can afford it, should subscribe liberally. **ONLY FIVE DOLLARS** is to be paid on each Share, at the time of Subscribing, and this will be returned, should the scheme fail. The Shares are One Hundred Dollars each; and after paying the first five dollars, no more will be required, unless the plan succeeds; and then, only in such small amounts, and at such long intervals, that no Subscriber can be put to any inconvenience, in making payments. Before the whole amount can be called for, a part of the Road, within the State, will be made, of which every one will feel the benefits. This great Work will enrich the whole State. Every man will be able to get his crop to market, and to procure his supplies, cheaper and quicker than at present, and will be able to travel in two days, as far as he can now in ten. The money subscribed will be spent at home, there will be an increased demand for all kinds of labor, and we shall have markets almost at our own doors, for all our productions. Lands will increase in value—Villages will spring up in every direction, and the whole country be enriched. The proposed Union of the South with the West, will add to the wealth and prosperity of the whole country, and every part of it. It will form a **BOND OF UNION AMONG THESE STATES—WHICH WILL GIVE SAFETY TO OUR PROPERTY, AND SECURITY TO OUR INSTITUTIONS.** Let the People remember that this may be the **Only Opportunity** they may ever have to get a share in this Stock. Every man has now a fair chance to share equally, in the benefits of this Company. If they neglect this opportunity, it will be forever lost. Any man may give up his share, even after subscribing, if he chooses to forfeit his first payment. The risk of loss, therefore, is very small, while the gain may be very great. By advancing only One Hundred Dollars a man will secure to himself the privilege of taking Twenty Shares in the Company, which may eventually enable him to realize a clear profit of perhaps a thousand dollars, or even more. We call upon you, men, fellow citizens, to come forward and support a scheme, which will make your beloved State great and prosperous, and your children happy. Let no man who loves his country, fail to enroll his name on the list of the supporters of this great and patriotic work. Commissioners will be appointed in each District to receive subscriptions, but any one may at any time, go to the Clerk of the Court, and put down his name for as many shares as he wishes, paying five dollars on each, and that officer will take the proper steps, to secure him the number of shares he may subscribe for. The honor of South Carolina, and the best interests of her people require that this work should not fail. Let us, one and all, then put our shoulders to the wheel, and our success is sure.

L. A. GODEY, Publisher, PHILADELPHIA

The sketch book of Character Or Curious and Authentic Narratives and Anecdotes respecting Extraordinary Individuals.

In preparing the following work from simple materials, care has been exercised to avoid, in the main, the beaten track of former compilers; to present the reader rather what was inaccessible, than to copy well known biographies and events.

The principal object of the present collection, is to supply a pleasing variety of that kind of incident which, by exhibit-

ing the marvellous in circumstance, and the extraordinary in character, display the occasional yawwardness of event, and its frequent curious operation upon the human mind. It would be easy to prove that, independently of mere entertainment, a knowledge of remarkable facts is necessary to correct the judgment, even upon every-day transactions; and that in the science of life, as well as in every other, it is necessary to become acquainted with the exception to the general rule.—To estimate properly what is, we must possess some knowledge of what may be; and the information is only to be acquired by an attention to the memorable and peculiar, which have been.

The publication was commenced in July. It will be issued in semi-monthly numbers, containing 80 pages each, and will be completed in five months, or sooner, at the option of the Publisher, and will contain, in all, over 400 pages. The numbers will be sent by mail to any part of the Union, carefully packed.

Terms.—One Dollar for the complete work, or six copies for Five Dollars. Address L. A. GODEY, 100 Walnut street, Philadelphia.

Celebrated Trials, and cases of Criminal Jurisprudence, OF ALL AGES AND COUNTRIES FROM THE EARLIEST RECORD.

Selected by a member of the Philadelphia Bar. Treason—Sedition—Witchcraft—Robbery—Mutiny—Heresy—Libel—Murder—Piracy—Forgery, &c. &c.

These remarkable and deeply interesting Trials have been collected from all the best sources which the public and private Libraries of this country afford. The numbers will embrace many recent cases furnished exclusively by the London Annual Register, and recourse has been had occasionally to manuscripts where printed documents could not be procured.

It is believed that the collection supplies a striking deficiency in the library of the Lawyer, Physician, and general reader.

To members of the Bar the publisher need hardly recommend it, as they must know its worth, but to the general reader, who may be misled as to its character, the publisher assures them that it will be found when completed, a volume of the most intense and exciting interest.

One singular and alarming fact presents itself in the murder cases, and it is that so many should die protesting their innocence. Is it to be believed that upon the verge of eternity they could so loudly proclaim that which they knew to be false, when not a hope of escape is held out to them; the "Circumstantial Evidence" cases, of which there are five; would make us think otherwise. It is a subject that may well make one ponder upon the law which demands life for life.

The publication was commenced in July, and the numbers are issued semi-monthly, each number containing 120 pages each, printed on fine white paper of the size of the Marryatt Novels, and will be completed in October,—making a volume of 600 closely printed octavo pages. The numbers will be sent by mail to any part of the Union, carefully packed. Terms \$2 for the complete work, or three copies for five dollars.

It is worthy of remark, that a similar work is published in London at about 75 cents a number, and contains only 75 small duodecimo pages. This edition will cost but 40 cents a number, and contains 120 large octavo pages.

Address, L. A. GODEY, 100 Walnut street, Philadelphia.
