

tormented himself with such cruel and causeless severity, as that with which envy lacerates her unhappy votaries. Worldly honor obliges us to be at the trouble of resenting injuries; but religion spares us that inconvenience, by commanding us to forgive them, and by this injunction consults our happiness no less than our virtue; for the torment of constantly hating any one, must be, at least, equal to the sin of it. If this estimate be fairly made, then is the balance clearly on the side of religion, even in the article of PLEASURE.—*Mrs. H. More.*

THE JOURNAL:
CAMDEN, DECEMBER 21, 1836.

The Hon. B. W. LEIGH, Senator from Virginia, has resigned his seat, and the Hon. RICHARD E. PARKER, one of the Judges of the General Court, elected to supply his place. The Hon. Y. MASON, takes the seat on the Bench vacated by Judge PARKER.

ASBURY DICKENS, Esq. has been elected Secretary to the Senate, vice, WALTER LOWMEY, resigned.

Mr. JAMES W. LARGO has been elected, Commissioner in Equity for this District, in the place of W. J. GRANT, Esq. resigned.

The Legislature of this State adjourned on Wednesday last. We shall endeavor in our next paper, to give our readers some account of what has been done in that body, at present we are not advised of the result of their labors.

We understand that a requisition has been made on this State for more troops for the Florida service. They are, we learn to be raised from the Districts of Sumter, Darlington and Marlboro'.

SOUTHERN LITERARY MESSAGER.—We have received the November number of this work, which closes the second volume. We have not had leisure to examine its contents, and cannot therefore say anything of its merits. We perceive however, that the Editor apologizes for the limited number of his criticisms, as he had other engagements. We doubt if the number will lose any of its interest on this account.

The Legislature of Alabama have adopted resolutions approving of the Administration of General JACKSON.

The Expanding resolutions have also been adopted by that body.

COMPLIMENTS.—Some of the North Carolina papers, are congratulating Mr. MASON, on the compliment paid him by South Carolina in voting for him for the Presidency. We are somewhat of the opinion of the Georgetown Union, that it was rather a back handed compliment. It will be recollected that the Legislative Caucus determined that the State should vote *Manly*, but the House thought that a State could not constitutionally vote in that manner, but should vote for some person, and therefore in order, we suppose, to bring the vote within the pale of the Constitution, and to vote as near *Manly* as possible they concluded to give that honor to WILLIAM P. MASON.

MARRIED.—At the residence of Drury Bynum on Monday the 12th inst., by the Rev. Mr. SHERMAN, Mr. WILLIAM SHIVER, formerly of this place, to Miss SARAH, daughter of Drury Bynum, Esq.

LANDS FOR SALE.

The subscriber offers for sale the Tract of Land whereon he now resides in Chester District, containing 1100 acres. It lies immediately on the Catawba river one mile above McDonald's Ferry, and is well adapted to the culture of Cotton, Corn and the different kinds of small grain. There is about two hundred acres of fresh land that is now in Cotton, and about one hundred and fifty acres of bottom land, some of which is fresh, and there is about 500 acres of well timbered wood-land. The situation is healthy, free from any diseases of a local nature. A good well of excellent water in the yard. The place would suit either one or two persons, there being two settlements on the place with a good Gin House and a new Screw, a fine large Barn, Negro Houses, and every necessary out buildings. Persons wishing to purchase will examine soon, as I am determined to sell. For terms enquire of the subscriber on the premises, or to Caleb Clarke, Esq. of Wainsboro. I will also sell on the 1st Monday in February 1837, at public sale at Lancaster Court House, all my lands lying in Lancaster District, if not sold privately previous to that time. Those lands lie on the waters of Flat Creek and are unimproved, but lands in the neighborhood of them produce Cotton finely, persons wishing to buy any of those lands, would do well to attend early as the sale will be positive.
