Proposals

FOR PUBLISHING IN CHARLESTON S. C

A SEMI MONTHLY PERIODICAL,

TO BE ENTITLED THE

Southern Botanic Journal

In compliance with the numerous solicitations of the friends of the *Thomsonian System*, the subscribers have concluded to publish a paper to be called the SOUTHERN BOTANIC JOURNAL, to be devoted to the support of the Thomsonian System of practice of medicine, by publishing such facts in relation to the cause as will convey correct knowledge to the people, and useful information to those who have adopted the practice in their families.

The Journal will have nothing to do with politics or religion, but shall be devoted to the true interest of the South, so far as is consistent with the original design of the work. It shall be the constant aim of the publishers to lay before their readers all the information they can, with regard to the to the above practice, in the form of essays, and correct reports of difficult cases, the treatment of the same, and the rationale of the remedies—to select from other works all the information calculated to be useful and interesting to the readers of the Botanic Journal.

The publishers will endeavor to render this work a book of reference for the Planter and others who possesses Thomson's family right. They flatter themselves that they will be able to lay morsels before the scientific reader as will be seasoned to his taste—they will endeavor to deserve the support and attention of the philanthropist, at least in attention, if not in real merit. The friend of truth shall find his cause advocated on every page of the Botanic Journal, as they are determined not to swerve from truth, nor suffer their prejudices to suppress any thing that is likely to prove beneficial to their fellow man. The cause of humanity shall be fearlessly advocated, and no pains spared to render the work worthy of its patrons.

The Southern Botanic Journal will be issued every other Saturday in Charleston S. C. each No. containing sixteen Octavo pages on a super royal sheet. There will be three pages for advertisements on the cover to accompany each copy—so that the whole of the paper will be filled with reading matter. The first No. to appear the 1st Saturday in February next.
