Owing to the increased demand for this medicine, and for the accommodation of his numer-ous patients, Dr. Jackson has been compelled to occupy a larger store. We wish him success in his new quarters; he is deserving of it. The Bitters Mixture is without doubt the greatest medicine estant for diseases of the Liver and works. "The HoorLAND'S GEMANN BITTERS.—Here is a preparation which the leading presses in the Union appear to be manimous in recommending, and the remon is obvious. It is made after a prescription furnished by one of the most celebrated physicians of modern times, the late Dr. Christopher Wilhelm Hooffand, Professor to the University of Jens, Private Physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced. He was emphatically the enemy of humbug, and therefore a medicine of which he was the inventor and endorser may be confidently relied on. He specially recommended it in liver complaint, dyspepsia, debility, vertigo, acidity of the stomach, constipation, and all complaints arising from a disordered condition of the stomach, the liver and the intestines. Nine Philadelphia papers express their conviction of its excellence, and several of the editor speak of its effects from their own individual *sperience. Under these eigenstances we feel warranted not only in calling the attention of our readers to the present proprietor's (Dr. C. M. Jackson's) preparation, but in recommending the article to all afflicted."

Upward of Ten Thousand Cures. Mothers. Read This Attentively. Consumption can be Cured!! DR. ROGERS' COMPOUND SYRUP OF LIVERWORTAN TAR,

For the cure of Consumption and all Diseases of the Lungs and Breast. FROM DR. HIRAM COX.

Late Professor in Cincinnati Eclectic Medical College

Mr. A. L Scovill: However reluctant I have been to permit my name to be attached to patent medicine, I consider it a duty to the community to state that in three cases of incipient consumption, viz: Miss Bell, Miss Barger, and Mr. R. H. Cox, one of our City (ouncil, that Dr. Rogers' Liver-wort and Tar operated more like a specific than like any other remedy, that I ever used. One of the cases, viz: Miss Bell, pronounced by several Physicians to be laboring under the last stage of Scrofulous Consumption. She is now in good health, from the use of a few bottles of the above syrup. HIRAM COX, M. D. Cincinnati, Jan. 25, 1847. FROM THE HON. JUDGE HENRY MORSE.

Mr. A. Scovill: I am well acquainted with Dr. Hiram Cox and his practice, he having been my physician for many years, and can cheerfully say that I have as much confidence in his skill as any HENRY MORSE. man living. H Cincinnati, Nov. 8th, 1847.

Despair not though your Physicians and Friends give you up to die !!!

Your condition cannot be more helpless than that of Mrs. Rowe

This is to certify that I was taken with a pain in my side and breast, attended with a distressing cough, and for the space of one year grew rapidly worse. Although I had in attendance three physicians, one of whom was considered very skillful, all of their efforts proved alike unavailing. At last one of the physicians came in, and decided that I could not live more than one day longer ! All of my friends believed that a few days at most would end my earthly career.

My brother at this crisis, hearing of the astonish-ing cures made by Dr. Rodgers' Liverwort and Tar, went to Chillicothe, distant thirty miles, to procure the above medicine ; and, strange to tell, before I had used half a bottle my cough was entirely cured, and when I had used two bottles I was able to attend to my family vocations as usual. HARRIET ROWE.

Mr. Merriweather writes as Follows:

Mr. A. L. Scovill, Dear Sir-Dr. Rogers' Liver wort and Tar came safe to hand. I have sold a number of bottles. I has met with great success. A young man of this place, supposed to have the consumption, has been entirely cured.

Denmark, Tenn., June 30, 1948. CD The following certificate from one of the most distin. gusted physicians in Cincinnati, is entitled to great credit: I feel constrained from a sense of duty to make the fol-lowing statement: conscious that it may appear improfes-sional. Mr. Charles Wade, of this city, was quite low with Pulmonary Consumption, for which I had been treating with less than usual success. At his request, and that of his triends, I permitted him to try Dr. Rogen's Liverwort and Tar; and I must confess that its effects were really surprising. After using the second bottle my visits were discontinued, and he was soon restored to pealth. I do conscientionsly recommend my brother prac-tioners to prescribe this remedy in all pulmonary com-ilaints which baffle the ordinary mode of freatment. WILLIAM J. RICHARDS, M. D. The value of this preparation is now widely known, and every day the field of its usefulness is extending. It is approved and highly recommen ded by Physicians, and is admitted to be the most powerful and searching preparation from the root that has ever been employed in medical practice. The unfortunate victim of hereditary disease, with swollen glands, contracted sinews and bones half carious has been restored to health and vigor .-The scrofulous patient, covered with ulcers, loathsome to himself and his attendants, has been made whole. Hundreds of persons, who had groaned hopelessly for years, under cutaneous and glandular disorders, rhenmatism, and many other complaints springing from a derangement of the secretive organs and the circulation, have been raised as it were from the rack of disease, and now, with regenerated constitutions, gladly testily to the efficacy of this inestimable preparation.

The following pertificate from col. Samuel G. Taylor, a gentleman of high standing and extensive acquaintance through the southern states, and lately appointed consul to New Grenada, com mends itself to the attention of all.

New Yrrk, January 7, 1848. Messrs. A. B. & D. Sands-Oed lemen; Having used and witnessed the effects of your va uable preparation of Sarsaparilla ou different persons in different parts of the southern country, viz-Viginia, Louisian, Texas and Mexico, I fee! much pleasure in stating the high opinion entertained of its medicinol value. In my own case, it acted almost like a charm, removing speedily, the enervated state of the system, and exciting in the most agreeable manner, a tonic and invigorating influence.

Your Sarsaparilla is highly approved and extensively used by the army in Mexico, and my cousin, Gen. Zachary Taylor, has for the past five years been in the habit of using it, and recommends the same he and myself adopted the article at the same time, and it is now considered an ulmost in dispensable article in the army. In conclusion, 1 would say that the better it is known, the more highly it will be prized, and strust that its health restoring virtues will make it generally known throughout the length and breadth of our widely extended country.
