The Cordial Balm of Syricum and Tonic Pills.
NERVOUS DEBILITY,
However obscure the cause may be which contribute to render nervous debility a disease so prevalent, affecting, as it does, nearly one-half of our adult population, it is a melancholy fact that day by day, and year by year, we witness a most frightful increase of nervous affections from the slightest neuralgia to the more grave and extreme forms of

NERVOUS PROSTRATION,
Is characterized by a general languor or weakness of the whole organism, especially of the nervous system, obstructing and preventing the ordinary functions of nature; hence there is a disordered state of the secretions; constipation, scanty and high-colored urine, with an excess of earthy or lime sediment, indicative of waste of brain and nerve substance, frequent palpitations of the heart, loss of memory and marked irresolution of purpose, and inability to carry into action any well-defined business enterprise, or to fix the mind upon any one thing at a time. There is great sensitiveness to impress, though retained but a short time, with a flickering and fluttering condition of the mental faculties, rendering an individual what is commonly called a "whiffle-minded" or "fickle-minded" man.

This condition of the individual, distressing as it is, may with a certainty be cured by **THE CORDIAL BALM OF SYRICUM AND LOTHROP'S TONIC PILLS,** Medicines unrivaled for their wonderful properties and remarkable cures of all Nervous Complaints. Their efficacy is equally great in the treatment and cure of Cancers, Nodes, Ulcers, Pustules, Pimples, Tetter, Fever, Sores, Ringworm, Erysipelas, Scald-head, Barbers' Itch, Scurvy, Salt Rheum, Copper-Colored Blotches, Glandular Swellings, Worms and Black Spots in the Flesh, Discolorations, Ulcers in the Throat, Mouth and Nose, Sore Legs, and Sores of every character, because these medicines are the very best
