Major Knowlton's friends, encour-aged by his increasing popularity in Columbia, have determined to run him for the First Circuit. Mr. Boliver arrived from the State Capitol on yesterday, and brought the gratifying news that Mr. Knowlton, so far in the race, is ahead of all his competitors: If we should be so fortunate as to have the Major for our Judge, then Charleston and Orangeburg counties will have genuine cause for rejoicing.

SPECIAL PRACTICE-

Dr. J. Miles Hunter has made a specialty of the treatment of Cancers, Tumors, Chronic, Ulcers, Scrofula, Female Diseases, Szphilis, Dropsy Liver Diseases, Skin Disease, and all other Chronic affections, and his success in this line of practice has been a most wonderful event in the History of modern medical practice. His treatment of cancers and tumors, is somewhat eccentric as they are removed and cured without the use of the knife, without the loss of blood, and with but little pain to the patient. Having given his undivided attention to these special diseases and having a daily practice of large exent, it is reasonable to suppose that he is better informed as to the proper mode of treatment necessary for a perfect cure, than most of the medical prosection of the country where he has effected permanent cures of cancers and diseases peculiar to females, and
