Mr. A. Fischer advertises anew to-day. He keeps an abundance of good things on hand and promises to sell at low figures.

COUNTY AUDITOR—

Col. D. R. Barton has been appointed Auditor vice Jas. Van Tassel resigned. Col. Barton will make a good officer.

DAY BOARD—

Good and substantial board can be procured at Mrs. Anna E. Van Noorden, who offers to accommodate a few young men at \$3 per week.

Mr. Henry Kohn, long and popularly known as a partner of his brother, Theodore Kohn, has returned to this place, and re-united himself to the fortunes of that thriving firm. Mr. Kohn is looking well.

That window to a merchant's store in Branchville, which had been opened previous to Monday last for four years, was shut on that day. The owner of the house will no longer be haunted by ghosts.

Solicitor St. J. Jervy was in town a few days since, looking after his business for the coming October court. Mr. Jervy has the reputation of being a first-rate lawyer, and will no doubt carefully guard the interests of the county and State. See his circular.

A mounted Company has been organized at Bull Swamp with the following officers:

TOWN ELECTION—

The election for Mayor and Aldermen came off on Tuesday last. There was very little excitement. Number of votes registered, 198; cast for Mayor and Aldermen as follows:

- MAYOR. J. W. Moseley, 192. ALDERMEN. J. W. Cannon, 154. J. F. Izlar, 150. J. S. Albergotti, 133. Charles Thora, 152. W. M. Sain, 64. W. K. Crook, 1. Geo Boliver, 1. D. A. Straker, 1. W. P. Bull, 1. Sam'l Speigle, 1.

Of course the regular ticket was triumphantly elected. The opposition to Mr. Albergotti was doubtless because of his strong temperance proclivities, as he is one of our best and most thoroughgoing citizens. Add to his 133 votes the 64 cast for an independent candidate and we have the result 197 votes, which otherwise would have been counted for him.

Upon the whole, the ticket is a magnificent one, and argues well for the future prosperity of Orangeburg.

We were exposed last week to a pitiless storm, that wet our feet and stockings, and indeed our person all over. In fact we took a cracking cold, which brought sore throat and severe symptoms of fever. The good wife asserted her authority, plunged our feet in hot water, wrapped us in hot blankets, and sent our faithful son for a bottle of Ayer's Cherry Pectoral. It is a splendid medicine—pleasant to take, and did the job. We slept soundly through the night and awoke well the next morning. We know we owe our quick recovery to the Pectoral, and shall not hesitate to recommend it to all who need such a medicine.—Tehuacana (Texas) Presbyterian.

The quantity of Pork and other improper food consumed is enormous and produces its inevitable results in innumerable types of disease, especially those of the blood, exhibited in Pimples, Blotches, Sores, etc., all of which, however, yield rapidly and surely to Dr. Bull's Blood Mixture.

The greatest enemy to children is worms. Shiner's Indian Vermifuge will save them from ruin if used according to the directions Sold by Dr. A. C. Dukes.

SCARCITY OF MONEY—

There is no doubt but the present condition of all kinds of business and industry is fearfully depressed, and it behooves every family to look carefully to their expenses. Winter is coming on when children are liable to croup, whooping cough, etc. Cough and colds will prevail everywhere and consumption, with other throat and lung diseases will carry off many. These diseases should not be neglected. Doctors bills are expensive, and we would advise our people to use Boschee's German Syrup. It never has failed. One bottle at 75 cents will keep your whole family well during the winter. Two doses will relieve any case. Sold in all towns in the United States, and by your Druggists, Dr. A. C. Dukes,

Dr. A. C. Dukes is giving away a handsome book entitled "Pearls for the People," containing much valuable information and many interesting articles. It also contains a history of the discovery of the "Hepatine;" for diseases of the liver, dyspepsia, contipation and indigestion, &c., and gives positive assurance that when the Hepatine is used it effects a permanent and lasting cure of these diseases, which prevail to such an alarming extent in our country. Take the Hepatine for all diseases of the liver.

ADVICE GRATIS—The Hon. Alexander H. Stevens says:—"The Globe Flower Cough Syrup has proven a most valuable remedy to me."

Gov. James M. Smith, of Georgia, says:—"I shall always use it with perfect confidence, and recommend it to the public as a remedy which will afford that satisfaction experienced by me and mine. It excels everything for coughs, colds and obstinate lung affections."

Ex-Gov. Brown, of Ga., says: "He finds the Globe Flower Cough Syrup a most excellent remedy." Such endorsement by our great and good men deserves the attention of the afflicted. Those suffering from cough, colds and lung affections should use the Globe Flower Cough Syrup. It will positively cure consumption.

WONDERFUL SUCCESS—

It is reported that Boschee's German Syrup has, since its introduction in the United States, reached the immense sale of 40,000 dozen per year. Over 6,000 Druggists have ordered this medicine direct from the Factory, at Woodbury, N. J.; and not one has reported a single failure, but every letter speaks of its astonishing success in curing severe Coughs, Colds settled on the Breast, Consumption, or any disease of the Throat and Lungs. We advise any person that has any predisposition to weak Lungs, to go to their Druggist—and get this Medicine, or inquire about it. Regular size, 75 cents; Sample Bottle, 10 cents. Two doses will relieve any case. Don't neglect your cough when you can get the above remedy from Dr. A. C. Dukes.

Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effective for preserving the hair. Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.
