ARRIVED AND ARRIVING—
Mr. John M. Danner returned from New York on Monday night last, whence he had been buying up a supply of goods for the Fall trade, a large portion of which has already arrived, and is now stored in the spacious house of Cornelson, awaiting customers in quest of bargains. Mr. Danner informs us that his line of clothing is the best ever shipped, to this Burg, being custom-made nobby and cheap, while his stock of hand-sewed shoes, &c., is capable of supplying every want and the demand of every taste. Prices low. A quantity of dry goods of all descriptions is also at Cornelson's in super-abundant proportions. Calico, from 61 cents up! Think of it. You can get a good dress for 75 cts. Who is it will wear old and faded calico now? But it is not only in this particular that Cornelson is offering unparalleled bargains. His cloths, homespuns, clothing, hats, shoes and a thousand other things, are for sale at a small advance above New York prices. Peruse his advertisement in another column, and you will be profited thereby.

When the disorders of babyhood attack your baby use at once Dr. Bull's baby syrup and notice its rapid and beneficial effect. 25 cents per bottle.

Sold by Dr. A. C. Duker.

Does a father love his children? not much when he knows that worms are destroying them, and he fails to make the small expenditure of twenty-five cents for one bottle Shiner's Indian Vermifuge, which would relieve the whole family.

Sold by Dr. A. C. Duker.

"Eureka" is the sentiment of countless sufferers who find the balm of relief, and the fountain of their health and strength, in Ayer's Sarsaparilla. It is the most potent of all the alteratives to purify the system and cleanse the blood. It possesses invigorating qualities, so that it stimulates the faded vitalities and purges out the corruptions which mingle with the blood, promoting derangement and decay. We are assured by many intelligent physicians that this medicine cures beyond all others of its kind, and we can fortify this statement by our own experience.—*Athol (Mass.) White Flag.*

SCARCITY OF MONEY—
There is no doubt but the present condition of all kinds of business and industry is fearfully depressed, and it behooves every family to look carefully to their expenses. Winter is coming on when children are liable to croup, whooping cough, etc. Cough and colds will prevail everywhere, and consumption, with other throat and lung diseases will carry off many. These diseases should not be neglected. Doctors bills are expensive, and we would advise our people to use Boschee's German Syrup. It never has failed. One bottle at 75 cents will keep your whole family well during the winter. Two doses will relieve any case. Sold in all towns in the United States, and by your Druggists, Dr. A. C. Duker.

Dr. A. C. Duker is giving away a handsome book entitled "Pearls for the People," containing much valuable information and many interesting articles. It also contains a history of the discovery of the "Hepatine," for diseases of the liver, dyspepsia, constipation and indigestion, &c., and gives positive assurance that when the Hepatine is used it effects a permanent and lasting cure of these diseases, which prevail to such an alarming extent in our country. Take the Hepatine for all diseases of the liver.

ADVICE GRATIS—
The Hon. Alexander H. Stevens says:—"The Globe Flower Cough Syrup has proven a most valuable remedy to me."
Gov. James M. Smith, of Georgia, says:—"I shall always use it with perfect confidence, and recommend it to the public as a remedy which will afford that satisfaction experienced by me and mine. It excels every-

thing for coughs, colds and obstinate lung affections."

Ex-Gov. Brown, of Ga., says: "He finds the Globe Flower Cough Syrup a most excellent remedy."

Such endorsement by our great and good men deserves the attention of the afflicted. Those suffering from cough, colds and lung affections should use the Globe Flower Cough Syrup. It will positively cure consumption.

For sale by Dr. A. C. Duker.

WONDERFUL SUCCESS—
It is reported that Boschee's German Syrup has, since its introduction in the United States, reached the immense sale of 10,000 dozen per year. Over 6,000 Druggists have ordered this medicine direct from the Factory, at Woodbury, N. J.; and not one has reported a single failure, but every letter speaks of its astonishing success in curing severe Coughs, Colds settled on the Breast, Consumption, or any disease of the Throat and Lungs. We advise any person that has any predisposition to weak Lungs, to go to their Druggists—and get this Medicine, or inquire about it. Regular size, 75 cents; Sample Bottle, 10 cents. Two doses will relieve any case. Don't neglect your cough when you can get the above remedy from Dr. A. C. Duker.

This standard article is compounded with the greatest care.

Its effects are as wonderful and as satisfactory as ever.

It restores gray or faded hair to its youthful color.

It removes all eruptions, itching and dandruff. It gives the head a cooling, soothing sensation of great comfort, and the scalp by its use becomes white and clean.

By its tonic properties it restores the capillary glands to their normal vigor, preventing baldness, and making the hair grow thick and strong.

As a dressing, nothing has been found so effectual or desirable.

A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Price, One Dollar.

Buckingham's Dye FOR THE WHISKERS.

This elegant preparation may be relied on to change the color of the beard from gray or any other undesirable shade, to brown or black, at discretion. It is easily applied, being in one preparation, and quickly and effectually produces a permanent color, which will neither rub nor wash off.

The Daniel Pratt Gin Co.

OF PRATTSVILLE ALA.

Are manufacturing the Celebrated "Daniel Pratt Cotton Gins" with Revolving Heads and an adjustable reel board, which are improvements patented by them in July 1873.

Any ordinary plantation hand can feed these Gins, and they will turn out more lint in the same time than any other Gin, and by the use of the adjustable reel board, which can be adjusted while the Gin is running, they can be made to pick the seed much cleaner than any other Gin.

The experience of every planter who has used them, shows that these Gins will not choke, nor can the roll be broken by feeding it altogether in the center or at the ends of the cotton box.

We are prepared to prove by many letters in our office, written by parties who have used these Gins for the past four seasons, that our convictions of the wonderfully increased effectiveness and value of the Revolving Head Gin has been correct, and we are confident we can, without fear or denial claim, that no other Gins can compete with it in quality, capacity, or advantages of any kind.

Parties wanting our Gins can apply to J. C. Pike & Co., Orangeburg, C. H., S. C., R. P. Mays, Maysville, S. C., Dr. J. M. Hunter, Timmonsville, S. C., J. D. McLucas Marion C. H. S. C.
