### EXPECTORANT.

This unrivaled preparation has performed some of the most astonishing cures that are recorded in the annals of history. Patients suffering for years from the various diseases of the Lungs, after trying different remedies, spending thousands of dollars in traveling and doctoring, have, by the use of a few bottles, entirely recovered their health.

### "WON'T GO TO FLORIDA."

New York, August 30, 1877.

DR. TUTT: Dear Sir—When in Aiken, last winter, I used your Expectorant for my cough, and realized more benefit from it than anything I ever took. I am so well that I will not go to Florida next winter as I intended. Send me one dozen bottles, by express, for some friends.

ALFRED OUSHING, 125 West Thirty-first Street, Boston, January 11, 1874.

This certifies that I have recommended the use of Dr. Tut's Expectorant for diseases of the lungs for the past two years, and to my knowledge many bottles have been used by my patients with the happiest results. In two cases where it was thought confirmed consumption had taken place the Expectorant effected a cure.

R. H. SPRAGUE, M.D.

"We can not speak too highly of Dr. Tut's Expectorant, and for the sake of suffering humanity hope it may become more generally known."—CHRISTIAN ADVOCATE.
