

THE BRADFORD SPRINGS FEMALE ACADEMY.

The exercises of this Institution will be resumed on the 15th of January, 1847. The interest manifested towards his enterprise, has induced the Principal to purchase the establishment, and he is now engaged in making extensive improvements on the buildings and grounds.

The location, after having undergone the test of more than a half-century, as a place of resort for health, certainly needs no new commendation. And the writer, (having a very strong consumptive tendency,) from his own experience during the last very severe winter, believes that the dryness of the atmosphere renders this one of the best winter, as well as summer residences, that can be selected in the Southern country.

It is the purpose of the Principal to build up an institution in which a thorough, and, at the same time, accomplished education may be obtained; and regarding all education as radically defective, which does not aim at the formation and training of the moral character according to the spirit and precepts of the Gospel, he will endeavor to educate the hearts as well as the minds and manners of his pupils, and to prepare them for becoming useful and intelligent members of society.

Delicacy forbids the Principal to speak of the competency of himself and Mrs. DuBose to conduct such an Institution, but he pledges himself that the Teachers engaged, are of the first order in their departments.

A Chapel has been opened, and the young ladies will enjoy the advantages of regular religious services every Sabbath. The scholastic year will consist of ten months. A vacation of two weeks will be given from the 1st to the 15th of May, and the exercises close on the 27th of November.

TERMS FOR TEN MONTHS.

Board and Tuition, including Fuel, Lights and Washing, Music—Piano or Guitar, including Vocal Music and use of Instruments, 50 00

The terms, except the furnishing of Stationery, will be the same as they have been during the present year.

ISAAC AULD, M. E. Miss MARY HORT.

Instruction in Vocal Music will form part of the exercises of the school, but neither for this, Chemistry, nor Latin and Greek, will there be any extra charge.—The charge of \$150 will cover all the expenses of a pupil, unless she receives instruction in Instrumental Music, Drawing, or the Modern Languages.

N. B.—Each young lady will be expected to have her name distinctly marked on every article of her clothing, and also to furnish her own towels.

PROSPECTUS OF THE SUMTER BANNER.

UNDER the above Title, it is proposed to publish a paper in the Town of Sumterville. The paper will be issued weekly, on the morning of every Wednesday.
It is believed, that Sumter District affords as many capabilities for sustaining a weekly newspaper, as a medium of Advertisement, General News and Business, as any of her sister Districts in the State; and, confiding in this belief, we invite, to our columns, the attention of those, both in this and the surrounding Districts, who may be desirous of advertising and see fit to do so. It is well known, that the support of a paper in general, depends not so much on the magnitude of its subscription list, as on the advertising patronage which it may receive. This is the case in cities. In a country Town, however, and District, as this is, we must depend on the patronage both of subscribers and advertisers. We hope, then, that our enterprise will not fail from want of encouragement.

A strict attention will be paid to the local interests of the Town and District, and we shall endeavor to keep up, if necessary, the spirit and enthusiasm, which now exists, in regard to the connexion of Sumter with Charleston and Wilmington, (N. C.) by Rail Road.

In Politics, THE BANNER will be strictly Democratic, and will give a firm support to the National Administration, so far as it conforms to the principles upon which it secured the support of the Democratic party at the South.

The assistance of a friend, fully competent to the task, has been secured for the editorial department. It is not deemed necessary to make an exposition of the great variety of matter that will be contained in the pages of our paper; suffice it say, that no pains will be spared to render it an acceptable visitor in every family in the District. The undersigned trusts, that the late failure in the attempt to establish a paper in this place, will not be permitted to operate unfavorably upon his enterprise.

The paper will be printed on a super-royal sheet, with five columns to the page, at Two Dollars and Fifty Cents, if paid in advance, Three Dollars, at the expiration of six months, or Three Dollars and Fifty Cents, at the end of the year.

WILLIAM J. FRANCIS,
Proprietor and Publisher.

N. B.—For further particulars, as regards advertising, &c. see terms on first page. Communications on business, &c., and subscriptions and advertisements, will be received at this office.
Subscriptions and advertisements are solicited.
