GEORGE A. CLARE; SOLE AGENT,

100 BROADWAY, NEW YORK; Since the introduction of this Spool Cotton into the American market, its success has been unprecedented. No other brand of thread has ever met, with the

same amount of public farer in the same

space of time.
The "O. N. T." manufacturers were the first to recognize the finjertance of the Sewing Machine and to make a six cord cotton, which has ever been the recognized standard for machines. All the improvements in machinery that the inventive genius of the nineteeth century has produced have been

adapted by the manufacturers of "O.N.T." At all the great International Fairs of the world, "O. N. T." has been awarded the highest bonors.

The "O. N. T." factories at Newerk, N. J., and Paisley, Scotland, employ 5,300 operatives make sufficient thread

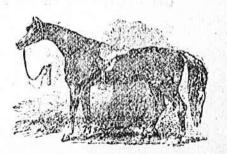

daily to go around the world four times. Consume 140 tons of coal duily; the largest manufacturers of Spool Cotton in the world.
