A blacksmith shop on Mr. G. W. Kennington's farm near Union Hill church was destroyed by fire last Friday. Nothing was saved from the fire, which caught from coal left in the forge.

The commencement exercises of Pageland Graded school ended Friday night. Large crowds attended each night and the auditorium was packed to overflowing on every occasion. The exercises were good and the students and teachers deserve credit for the excellent work they have done in preparing such excellent entertainment for the people. Chas. A. Smith, of Timmons, delivered on Wednesday night one of the strongest addresses ever heard in Pageland. He talked for about 35 minutes about mental development and his utterances were interesting and helpful. Teachers for the next term of school have not been elected.

Mr. J. J. Terry, who is probably the best farmer in Chesterfield county (in his own estimation) sends us word that it unnecessary to put advice about plowing wet land etc. in his paper for he doesn't need it, but that it is alright for his neighbors and others. We agree with Mr. Terry. This advice to him is wasted, for there is little chance that he will be caught plowing wet land. In fact, his land is nearly always too wet or too dry, and he is careful to wait until the land is just right, which of course gives him more time to make use of the excellent shade he is fortunate enough to have in his yard.

The annual children's carnival will be held at Ruby on Saturday, May 30th and all the children are asked to take part in the parade and represent some toy in each costume. The crowning of the "Queen" is the important feature. Any young lady may be nominated and voted for at the rate of 1 cent per vote. Misses Nell Cato and Grace Blackwell, of Pageland, Maude Campbell, of Ruby, and Sallie Douglass and Violet Welsh of Chesterfield have been nominated. Each town is expected to be loyal to its girls and vote heavily. In the afternoon a baby show will be held. Any baby under two years old may be entered, and a prize will be given for the best boy and best girl. Mrs. J. R. Millard, of Ruby, S. C., will gladly furnish any further information you may desire.

Misses Annie Mae McColl and Lucile Bull left Saturday for Columbia to enter Draughan's business college.

This is the 20th of May and the Charlotte people are celebrating in grand style. Pageland is right well represented at this gathering of people from many sections.

The Journal is asked to say that the members of Zoar church are requested to meet at the church next Sunday afternoon at 2 o'clock to organize a Sunday school.

Mrs. Ollie Cato, wife of Mr. S. I. Cato, of Cheraw, died Monday night, after an illness of several weeks, and was buried yesterday afternoon at five o'clock. She is survived by her husband and six children.

A meeting was held at Marshville Thursday and action was taken to purchase machinery for an oil mill to be put in operation in time for the next season's work. The capital stock of \$50,000 has been subscribed. A dynamo will be installed in connection to furnish light for the town. This is a long step forward for Marshville, and will be a great convenience for the farmers of that section.

The appointments of Dr. W. J. Langston and Rev. W. E. Wilkins for their enlistment campaign in this county are as follows: Dudley, Sunday, May 24th; Monday, May 25th at Pageland; May 26th at White Plains; May 27th at Jefferson; May 28th at Mt. Croghan; May 29 at Ruby; May 30th at Chesterfield; May 31st at Patrick.

DOES THAT MEAN ANYTHING TO YOU?

IT LOOKS LIKE THE NAME OF A MEXICAN GENERAL. DOESN'T IT? WELL, IT IS ALL IN THE WAY YOU LOOK AT A THING---SOME FOLKS GO THROUGH LIFE BACKWARDS ANYWAY!

Do you buy your groceries from a store in Kalamazoo or haul your butter and eggs to Constantinople? If you do you are doing things backward.

Do you write a check for your life insurance, say "Good bye, Bill, till the funeral," and send it to "Wall Strett" or somewhere to enrich another state? If you do you are doing things WORSE than backwards---

You are Doing Things Backwards With Your Eyes Wide Open.

Turn those peculiar looking words that you see at the top of this advertisement around, put them on your next check for insurance and you will get all that any GOOD company can give you, and every penny of your money will work here in your State where it will help your business.

The best business men in Chesterfield county have bought over a MILLION DOLLARS insurance in the OLDEST, LARGEST Legal Reserve company in South Carolina. If you are not one of them, you have been doing things backwards.

ASK ABOUT OUR NEW "INCOME POLICY." It's cheaper.
