

Local News

Rev. W. P. Martin is assisting Rev. J. W. Quick in a meeting at Bethesda this week.

All who are interested in cleaning Rose Hill cemetery are requested to meet there tomorrow morning early.

Mr. James Funderburk, of Tradesville, was taken to Charlotte last Thursday for an operation for an abscess in the neck.

Mr. William Steen, of near Ruby, who has been suffering with cancer of the face for a long time has gone to Johns Hopkins hospital in Baltimore for treatment.

As will be seen in a display ad in this issue, a special train will be run from Pageland next Sunday for the accommodation of those who desire to spend the day at Big Springs. The rates are low and the schedules convenient.

Mrs. Bettie Funderburk fell from a porch at the home of her brother, Mr. Cash Funderburk, about three weeks ago and was painfully hurt. She has been confined to her bed, but is now able to be on crutches.

All who are interested are requested to meet at Providence church next Saturday morning to clean off the cemetery and church ground. The protracted meeting will begin on Saturday before the second Sunday. Rev. C. W. Jones, will assist the pastor, Rev. J. D. Purvis.

Hursey's pond on the road to Mt. Croghan has been leased by citizens of Pageland and Mt. Croghan until January first 1916, with the privilege of extending the lease four years longer. A pavillion will be built and other improvements made, preparing it for bathing and fishing and for picnics.

Mr. J. M. Maples had a rather novel experience Friday night when his wagon struck a stump near his home a few miles east of Pageland. The mules became frightened and one was thrown down and caught under the tongue of the wagon but the other mule twisted out and rid himself of harness, collar, bridle and all and left for home without breaking even a hame string. Nothing was hurt.

The rain yesterday was welcomed by everybody, for, though it had not been many days since there had been rain, the crops were beginning to suffer for rain. The damage done by the dry weather was very slight though the hot sun made the corn and cotton and other vegetation look sick while the sun was shining.

Jefferson won five of the six games played last week, and therefore still holds the championship for the county. Richie, Pageland's pitcher, was ruptured before the second game was finished and could not play any more. This gave Jefferson a decided advantage, and the other games were not of much interest. Jefferson boasts of a very strong team this year, and the games they have won bear them out in it.

Because of the county campaign meeting at Chesterfield on August 22nd a change has been made in the dates for the farmer's institutes in this county. The first institute will be at Wamble Hill near Chesterfield on August 21st. The second will be at Pageland in the morning of the 22nd, and the third at Macedonia near Angelus in the afternoon of the 22nd. The meeting will be held at Pageland instead of McColl's farm as heretofore announced. It will begin at ten o'clock and last until about 1 o'clock.

T. M. Joseph, of Monroe, is opening up a line of dry goods, clothing, shoes and notions in the new store room on the corner of McGregor and Pearl street.

The club roll books closed yesterday. Two hundred and eighty-one names have been written on the Pageland roll. There were 265 votes cast two years ago.

Mr. David Simpson, and Miss Pearl Watts were married in Columbia yesterday morning. Mr. Simpson is a son of Mrs. A. M. Simpson of Pageland and he is in the employ of the Seaboard at Columbia. Mrs. Simpson is a daughter of Mr. and Mrs. T. B. Watts, and is a very popular young lady. This was a surprise marriage as their intimate friends were not aware of their intentions. They were married by Magistrate J. T. Easterling at 10:30 Monday at his home. They will make their home in Columbia.

Mr. J. B. Mills, of Union county, has purchased the Ogburn farm two miles south of town, and Mrs. Addie Pigg has purchased a 60-acre track on the Chesterfield road near Mr. G. F. Evans'. The sales were made by Pageland Insurance and Realty Co.

Andrew Adams was shot in the leg with a shot gun Monday afternoon by his brother, "Coot" Adams as a result of a quarrel over some cattle. The two brothers are farmers living about 3 miles north of Chesterfield. Some cattle had been turned out of a pasture and each accused the other and the dispute resulted in the shooting as above stated. The leg was broken below the knee by the force of the load of shot. Coot was arrested and placed in jail to await trial.

Mr. Arthur C. Funderburk, better known as "Aught," shot one Moore in the back with a shot gun Saturday afternoon and inflicted a very dangerous wound. The shooting occurred in the road near the farm a few miles south of Monroe. There had been trouble between them before, and they had words in Monroe Saturday. Funderburk says Moore and his brother made threats that they would see him on the road home. He got a shot gun and prepared for them, and when they appeared it was only a short time until the shot gun was brought into use. Funderburk is a son of Mr. William Funderburk, who formerly lived near Dudley.

Typhoid Vaccine is Free.

James A. Hayne, state health officer has the following to say of typhoid vaccine:

"The vaccine is sent out free of charge, the only condition being that people who want to be immunized have their family physician or health officer order the vaccine. The laboratory will not send the vaccine to a layman, because it has to be injected under the skin and the layman has no means of administering it.

"Administering the vaccine is practically painless. It does not hurt nearly so much as being struck with a needle or pin. No open or running sore results as in the case of smallpox vaccine. A slight swelling usually occurs, and some soreness and tenderness, but these be in to subside after 12 or 15 hours and disappear in from 36 to 48 hours. Moderate headache occurs in about one person out of 20, and in rare instances, 1 per cent. or less, this symptom is quite severe. No serious results have ever occurred either in this State or in the hundreds of thousands of cases in the army or navy. Three applications about a week or ten days apart are necessary to produce immunity.

"As to efficiency, it may be said that the army where statistics are available anti-typhoid vaccination has reduced the typhoid case rate to less than 1 per cent. of what it was prior to vaccination, and the typhoid death rate was entirely abolished last year. The length of immunity conferred by the vaccine is not known, but it is thought to be at least four years."
