What Does W. F. Stand Stevenson For?

The slip of a decimal point is last week's advertisement made the same state that South Caro lina's share of the money wasted in rivers, creeks and harbors No. 8. 182 acres 2 miles west of Pageland. All level land, no have been \$4,800.000.00, and the In his speeches he stands f Roads under wise supervision ard and pasture. Price per acre and skillfull construction. He stands against taxing the people No. 9. Nice painted 4-room as a whole for the benefit of the few rich shipowners who use the Panama Canal, and would not have so voted if he had deen in congress-and there he differs from his opponent who voted against President Wilson's policy and tried to fasten the burden of the maintenance of the canal on all the people while the few rich ship owners engaged in the No. 11 Nice business lot in coastwise trade used it free. His speeches are certainly approved by those who hear them. The Chester Semi-Weekly

News says of his speech in Chester July 25th: "This left the floor entirely to

the Cheraw candidate, W. F. Stevenson, who was given a tremendous ovation. The crowd No. 13. 487 acres good gran- certainly looked like it was for residence and barn worth half ite land with clay sub-soil 5 miles him as he was followed closely the price of the place. Price from Pageland. Proposed site throughout his speech was over for new station on S. C. Western an hour, and was vociferously

And the same paper said editorially on July 28th:

"W. F. Stevenson, candidate for Congress from this District, made an impressive speech in the Court House last Saturday. Mr. Stevenson is a man of unusual ability and has had a great deal of legislative experience and the voters of the fifth district have the opportunity to elect a gress who is altogether fearly when it comes to doing and working for those things that people generally. Mr. Stevenson, if elected, will represent his district impartially with honor to himself and satisfaction to his constituents. He is con-

sidered one of the strongest law-

eyers in the State and his broad

legal training more thoroughly

Carolina For Jesus

Carolina for Jesus, of this I will sing. To thee my beloved a tribute I bring, The home of my childhood is precious to me, And the God of the nations will let me love thee.

Chorus.

Carolina for Jesus. Oh grant it dear Lord, Hail all ye good people, be this your reward, And when our dear Master shall bid us all come, May you and your children be safe gathered home.

Ye men of Carolina this God favored land, O why in the conflict you i dle stand, While sin and destruction and ru-in and blight, Are wrapping your sons in the mantle of night?

Chorus.

Carolina for Jesus, come join the refrain, Ye sons of redemption the gospel proclaim, In prayer and in service in gift and in song, While all your dear children the chorus prolong.

Chorus.

Carolina for Jesus, shout, shout the refrain, We're marching to conquer in His blessed name, The desert shall blossom, the mountains shall sing, And heaven's high arches with the chorus shall ring. (By S. M. Brown.)

This song is to be used in the meeting of the W. M. U. at Pageland. We request that the ladies preserve their copeis and bring them.

Edna V. Funderburk.

Has been sub-divided into tracts public questions that come up in

I desire to state that the report that I introduced a bill in the legislature to prevent the poor white man or the man who could not read and write from voting is untrue. I not only did n ot, but I got a bill passed by the house fixing it so that the Democratic party could not prevent them from voting, provided they were on the roll. I am for protecting them and not for disfranchising them.

W. F. Stevenson. (Advertisement)

Wood's Trade Mark * **Crimson Clover**

Is Best Quality Obtainable, of High Tested Germina-tion and Purity.

Crimson Clover is a wonderful soll-improver; also makes splendid fall, winter and spring grazing, the earliest green feed, or a good hay crop.

A crop of Crimson Clover turned under is equal to a good application of stable manure, and its value as a soil-improver is worth \$20. to \$30. per
