South Carolina has been characterized as a valley of humiliation between two mountains of conceit, said mountains being Georgia and North Carolina.

W. J. Tiller, the county demonstration agent for Chesterfield county, made the statement at the Farmer's institute here Saturday that he had received more encouragement in his work and had seen greater results in this part of the county than in any other section. Prof. Hutchinson, of Clemson College, said he saw farming along the road that is not two per cent. wrong, and that there are farmers in this section who are making crops that would make profitable an investment of one thousand dollars per acre.

These are a few more facts which show how marvelous the change in farming methods has been.

Morgan Says Finances Are Unusually Good For Times

Washington, Aug. 20.—Reports of decided improvement in the general condition of the country and the financial situation in New York were brought to the Treasury Department today by J. P. Morgan and W. M. Porter, a member of the Morgan firm. Mr. Morgan and Mr. Porter spent nearly two hours in conference with Secretary of the Treasury McAdoo and members of the Federal Reserve Board.

Hurled Thirty Feet From Bridge By Speeding Car.

Lexington, Aug. 23.—A big car driven by Everett Crotts, owner, of Winston-Salem crashed into a bridge over the Southbound Railroad, four miles north of Lexington this afternoon and Will Money and "Tobe" McGee, sitting on the rear seat, were hurled over the edge of the bridge and to the tracks 30 feet below. McGee was seriously hurt internally. Money suffered a broken wrist and other injuries.

The rear wheel of the car was smashed and one panel of the strong iron railing was torn away. Witnesses who saw the accident say that the car was going 30 miles an hour when it struck the bridge.

Made a Cushion of Him.

Dr. Jerome of Wingate started out Sunday to see a patient and took Mr. Ellis May along for good luck. And Mr. May certainly did come in handy when the doctor's horse became frightened and turned the buggy over, for he furnished a cushion for the Doctor to light on. As they were going along the horse became frightened at Mr. Tom Ashcraft's machine and turned the buggy over. Mr. May spread out on the ground and the Doctor, who weighs three hundred, lit on top of him. Mr. May's head protruded from one side and his feet wiggled round on the other. Mr. Ashcraft came back and assisted the Doctor to get up and free Mr. May. The latter says he has read in the Bible about the wicked wanting the mountains to fall on them, but that he has now had all he wants in this line.—Morgroe Journal.

CHURCH NOTES

Baptist

J. M. Sullivan, Pastor.

"Wasn't that sermon fine?" Somebody said after the services were over. We appreciate having Bro. Sutton with us and we believe his services in our midst will bring forth fruit. Hope he can come again sometime.

We are anxious to have all the ladies be present Wednesday afternoon and complete the arrangements for their convention. Also be present Thursday and take your delegates home with you, as it will aid the committee on entertainment so much for you to be present. Ladies this is your opportunity to do something for God;

Our trip to Liberty Hill last Sunday afternoon was enjoyed very much. They have a splendid Sunday school for a country church, about 80 were present and the contribution was about 75 cts. This is good for a country school.

We will be at Taxahaw this week in revival services. Bro. Leon Funderburk will assist us in these services. Brethren pray that sinners may be saved this week. Next Sunday we will begin at Pageland, with Bro. McManaway in charge of the preaching. Everybody invited to take an active part in these services. Also visitors who may be in our town are cordially invited to worship with us.

Methodist Episcopal

Rev. J. A. McGraw, Pastor

We were much disappointed last Sunday not to have Bro. Rowell with us at Zion. Through a misunderstanding as it now appears he was expecting to come for next Sunday instead of for last Sunday. Our quarterly conference will convene next Saturday at Antioch. Bro. Massabeau will preach Saturday morning and also on Sunday. After Sunday Bro. Rowell will be with us at Antioch for the remainder of the week. We will have services there exclusively in the day time. At 8:30 each evening we will have services at Mt. Croghan and run the two meetings together. At Antioch in the day time and at Mt. Croghan at night. There will be two services at Zion next Sunday, we will have Bro. Rowell with us there as Bro. Massabeau will be at Antioch on Sunday. Our regular appointments for next first Sunday are all called off as we will be in meeting elsewhere.

Brick

I handle Brasidgton's Brick. Why? Because they are longer, wider and thicker, and are side cut, will hold mortar better. In fact, 8000 will do the job that requires 1000 of most any other brick. See me.

Notice of Election

An election is hereby ordered to be held in Pageland, S. C. on Thursday, September 10th, 1914, on the question of establishing a State High School in Pageland School district 43, within the meaning of acts 1824 to 1835 inclusive of the code of 1912. At said election persons residing in said district, who return real or personal property for taxation, and who are otherwise qualified to vote as in general elections, will be allowed to vote. Said election does not involve the levy or collection of any tax other than the present levy, but is held for the purpose of enabling the district to qualify for state aid within the meaning of the above statutes.

Done by order of the county board of education this 25th day of August, 1914.

R. A. Rouse, County Superintendent.
