TO THE PUBLIC:

Having anticipated a higher market on merchandise, OUR BUYERS, who are located in New York City, the Market of the World, bought and bought heavily. This sale coming at a most opportune time, and our stocks being complete in all departments, I advise that you buy your wants mentioned on this sheet and with hundreds of other Bargains not mentioned herein. I can honestly say that these prices quoted are less than manufacturers' prices of today and as an opportunity like this is not a daily occurrence, I say Grab it. You will note on this sheet that we do not offer you Bait or Free Prizes, but what we do guarantee is Good Values for your Money. I can truthfully say, this is an Honest-To-Goodness-Sale.
