

CANARY MILLER OF OTHER DAYS

Old Newspaper Man Writes Reminiscent Article on Radical Rule in South Carolina.

Sometimes a single name or small incident will open flood-gates of recollections of those who have seen and felt things and bring to very vivid life old times and long arrays of dead men. We read in the South Carolina newspapers that T. E. Miller has been removed summarily by the new governor from his long held position as president of the colored university at Orangeburg.

under leadership of Wade Hampton, the outbursting and exploding of a fighting and desperate civilization against a 50,000 negro majority, the law and Ulysses S. Grant in the president's seat. The Democrats had elected sixty-four—on the face of the returns. By this means they kept two or three Republican representatives at their homes; but when their names were called they answered, "Dummies,"

Their orders were not to exclude the Democrats, but if they went out not to allow them to return. The sessions continued through all those hours of daylight and darkness, every man armed and ready with his nerves strung for the desperate fight all believed to be inevitable—a fight of men shut in, forced to fight until one side or the other was exterminated or somebody surrendered.

And all the bright gay men who chronicled that time from day to day, who lived luxuriantly because with peril and excitement their nerves were strung happily and tense always, who joined in chorus and laughter to the rising of many wintry suns or new days of hard work and emergency, there is, so far as we know, but one left. When the drama was over they scattered to many parts of the world whence they came, and we think they are dead now, but one—and they were young men, too.
