Lorimer to Be Again Investigated by Senate Committee

AFTER LONG DEBATE

Sub-Committee on Privileges and Elections, Four Democrats and

Four Republicans, Equally Divided as to Sentiment in Matter.

A dispatch from Washington says Cenator Lorimer, of Illinois, faces another investigation at the hands of his colleagues. The inquiry will be conducted by a sub-committee of the committee on privileges and elec-The condition of the growing crop tions, composed of four Republicans and four Democrats, four of whom voted for the conviction and four 80.2 per cent, that day last year, for the acquittal of the Senator last session. The method selected is regarded as the latest thing in jury

> It took seven hours' debate to agree upon the system and it was finally adopted Thursday evening by a vote of 48 to 20, being substituted for the plan urged by Senator La 93 Follette, of turning the case over to five Senators who were not members when the case was voted upon before, and, therefore were suppos-91 ed to be unbiased.

Before the vote was taken, Senator Bristow, who favored the La Follette plan, accused Mr. Dillingham, chairman of the elections committee, of having capitulated in the interest of a Democratic scheme of turning the investigation over to a sub-committee. This change was based upon the fact that the author of the resolution adopted was Senator Martin.

Mr. Bristow also claimed that the old guard Republicans had formed an alliance with the Democrats and that they had placed the mantle of leadership upon Mr. Martin.

Senator Lea, of Tennessee, said he would no more turn the case over to the elections committee for another trial than he would submit to a second operation for appendicitis by a surgeon who had failed on the first operation to locate the appendix.. Senator Kenyon, of Iowa, recently assistant to the Attorney General, intimated that the great trusts has busied themselves with the election of Senators sc as to influence the selection of United States district attorneys, whose friendship might be useful in the case of pros-

The defence of the Martin resolution was conducted by Messrs. Dulingham, Martin, Stone and others from both sides of the chamber.
