MEXICAN BOY LYNCHED.

Whittling a Stick Caused the Death of Several People.

The whittling of a stick led to the killing of Charles Zeitung a garage owner, and the subsequent lynching of a Mexican youth at Thorndale, Texas, Tuesday night. Whether the boy was a citizen of the United States or of Mexico is not known.

The Mexican, a lad of about 18, press was furnished with a stenowhose name has not been ascertained, was sitting on the sidewalk, in front of Zeitung's garage early Monday night, industriously He Was Going Under An Assumed

Senator Lea withstood the opera-

It will be two or three days before Mrs. Lea is altogether out of danger. At present her symptoms are favorable, although she is still very weak. Senator Lea is confined to his bed at the hospital, his vitality, being reaccompanying overhead structure, is duced by the transfusion operation. It is expected, however, that he will be able to leave his room in a few days.

When heroric effort in Mrs. Lea's behalf became imperative and the transfusion operation determined upon, Senator Lea, athletic in statute, would not consent to anything, but that a sacrifice of his own blood to renew her vanishing strength be

But because a prime factor in transfusion operation is that the blood be fusible, tests were hastily ordered. Before analysis was completed by the ompany, of Philadelphia. But as with deed interest, and reports of Mrs. Lea's color was restored the greater achievements are anticipated. flush faded from the cheeks of her husband. When the transfusion had continued an hour and a half, he importuned the surgeons not to arrest the operation while there was the possibility of a doubt as to the outcome in Mrs. Lea's case. But the surgeons, realizing the weakening erfects of such a drain on the senator's system, eventually staunched the flow. After the operation Senator Lea fell to the floor in a faint. He was imediately placed in bed, and is now making splendid recovery of his strength.
