Run Sunday School Excursion.

Bowman, June 30th—Special: The Sunday School Excursion from here to Charleston yesterday was highly enjoyed by a goodly number of Bowman and surrounding country folks.

It was indeed a novelty to some of the younger ones, visiting the Isle of Palms and seeing the large body of water. Some went in bathing for the first and was delighted.

Interesting revival services have been in progress here for about two weeks and will close today. Rev. Mr. Harley is helping the pastor and the services have been very interesting and profitable from a religious standpoint.

Will Look It Over.

The blue-prints showing the proposed improvements at the Southern passenger station in this city were forwarded to the city authorities by the Railroad Commission on Thursday afternoon from Columbia.

LEVER WILL MARRY SOON.

To Wed Young Lady of His Native County, Lexington.

A dispatch from Lexington says of Statewide and national interest will be the marriage of Asbury Francis Lever, the popular seventh district congressman, and Miss Lucile Scurry Butler of Lexington, the event to be solemnized next Wednesday evening, July 5th, at six o'clock.

This announcement comes as a surprise. Mr. Lever came to Lexington several days ago, presumably on a business trip, and nothing was known of the wedding arrangements until Wednesday when the announcement was made.

The marriage will take place at the home of the bride and will be very quiet, no formal invitations having been issued. However the public generally has been invited to witness the ceremony.

Miss Butler will be attended by her three sisters, Mrs. W. A. Wright, of Atlanta, and Misses Alice Mae and Lillie Butler. M. E. Zeigler of Orangeburg, former private secretary to Mr. Lever will be the best man. The ceremony will be performed by Rev. William H. Miller, of Columbia, a college mate of Mr. Lever, assisted by Rev. T. S. Brown, pastor of St. Stephen's Lutheran church.

Miss Butler is the second daughter of Maj. John Wilson Butler, who comes of the old and distinguished family of Abbeville and Edgefield Butlers and is a relative of the late Gen. M. C. Butler, the famous Confederate leader and later prominent in the history of the State.

Immediately after the ceremony, Mr. and Mrs. Lever will leave for the mountain of North Carolina, after which Mr. Lever will return to Washington.

DOINGS OF SOCIETY.

Several Appropriate Affairs for the Coming Bride.

Quite a dainty affair was the heart dice party given by Miss Lella Marchant Thursday night complimenting Miss Hattie Zeigler.

Another affair complimenting Miss Hattie Zeigler, the popular bride-elect whose wedding takes place next week, was a linen shower given by Miss Georgia Culler Wednesday afternoon.

Thursday morning Mrs. R. H. Jennings was hostess at the regular meeting of the Elwell club.

Death of Mrs. Louisa Frederick.

Mrs. Louisa Frederick, relict of the late Andrew D. Frederick, and a sister of the late Col. Paul S. Felder, of this county, died at the home of Dr. M. G. Salley, in this city, late last Wednesday afternoon, at the advanced age of 94 years.

The funeral was held Thursday afternoon, the ceremonies being at the home of Dr. M. G. Salley, and the interment was made at the Frederick Cemetery, near her old home, about three miles from the city.

What She Should Have.

The News and Courier correspondent at St. Matthews says Uncle Sam means to keep up with the procession in that corner of the country. Postmaster Owens has been instructed to receive bids for an un-to-date post-office building, with the latest improvements in every way.

The matter will be decided in July. That is what St. Matthews should have. She is an up-to-date little city, has an up-to-date postmaster in friend Owen, and she should have an up-to-date postoffice to even matters up.

Baseball.—Ladies vs. Men.

The ladies of Eutaw Chapter, D. A. R., have a novel game of ball scheduled to take place next Thursday afternoon. The ladies team, captained by Mrs. W. L. Giver, will play the gentlemen's team, under the captainship of Mr. William Glaze, Jr.

The game will not be called until 5:30 and the crushing heat of the day will thus be avoided. An admission fee will be charged, for the benefit of the Chapter.

About Publishing Obituaries.

The Times and Democrat often receives many lengthy obituaries with the request that we publish free. If we did so there would be columns of them each week, and to protect ourselves we have made a special rate of 1-2 cent a word for this class of notices. Our friends will note this.

The interior of this beautiful home was decorated for the occasion with quantities of flowers, vines and burning candles.

The girlish grace of the bride, who entered on the arm of the groom, was enhanced by her bridal costume, an exquisite gown of white satin enriched with chiffon and seed pearls. WILL SHOW UP SOUTH.

Southern Railway Will Make an Attractive Exhibit.

The Southern Railway will make an attractive exhibit showing the agricultural, forest and mineral resources and manufactured products of the Southeast at the Appalachian exposition, to be held at Knoxville, September 11 to October 1, 1911.

This exhibit will contain handsome displays of cereals, cotton, tobacco, legumes, vegetables and fruits, and especial attention will be given to forest products and manufactured specimens of woods. The exhibit will show in a comprehensive way the possibilities and advantages of the Southeastern States and should prove a powerful advertisement for the section as large numbers of visitors are expected at the exposition from points outside the Southeast.

At the same time the exhibit will serve the very useful purpose of calling the attention of the people of the South to the great opportunities which exist in their own country. This is a feature which the management of the Southern Railway considers of the highest importance, as nothing can have a more powerful effect in discouraging emigration from the South to less favored sections than a thorough knowledge of the South and the many reasons which make this the best section of the country in which to live and prosper.

COPE PLAYING BALL.

Wins Game from Bamberg and Then Loses to Bolen.

Cope, Special—The Cope baseball team defeated Bamberg on the latter's diamond Tuesday by the score of 14 to 12. The game was a slug-ging match between the two clubs—the Cope team getting a little the best of it, making 20 hits. Bamberg got 8 hits. Errors were evenly divided, each team making nine. Batteries: Bamberg, Brickie, Frier and Cooner; Cope, Goza and Tatum. Umpire, Paul Riley. Struck out: by Frier 5, by Goza 10.

In a well played game of ball the Cope team went down in defeat before a picked team consisting of players from Bolen and vicinity. The score was 4 to 3. Smith and Sain started in to do the battery work for Cope, but in the third inning with the bases full Frier relieved Smith, and Tatum took his place behind the bat. After this Bolen was unable to score, while Cope made three runs. Reed for Bolen pitched good ball and deserved to win. Batteries: Bolen, Reed and Ables; Cope, Smith-Sain and Frier-Tatum. Struck out: by Reed 8, by Smith 2, by Frier 6. Hits off Reed 4, Smith 5, and Frier 1.

FAIR ASSOCIATION.

Stockholders Will Meet to Perfect the Organization.

The stockholders of the Orangeburg County Fair Association will meet today at noon at the courthouse, when a permanent organization will be perfected by the election of a board of directors and officers.

The reports for the different township chairmen are being received and they are encouraging, showing that the people of the county have the fair at heart and are greatly interested in the undertaking. The farmers of this county are taking a large amount of the stock. The people of this city have subscribed to about \$7,000 of the stock.

The necessary amount of stock to be subscribed will be in hand by the Saturday meeting and a charter will be applied for. Work on the fair buildings is expected to be commenced in the near future.

The meeting at the courthouse today should be a large and representative one. Let every one who has subscribed, or will subscribe, to the capital stock of the enterprise be at the meeting. This is an important undertaking and means much for the county and city. It must not be allowed to fail.

HERE IS A STORY FOR LARGE WOMEN! MAYBE IT WILL DO SOME GOOD.

"Oh, it doesn't matter about my 'lines,' says the large and comfortable mother of a half a dozen boys and girls. 'What I'm more interested in are the figures of my growing daughters!'"

But your 'lines,' my dear ma'am, are precisely what do matter. Don't you remember the time when your Tommy punched the Brown's boy's head because young Brown expressed a poor opinion of your personal beauty? There is nothing boys and girls are more proud of than a good looking mother—alert and down-to-the minute, and nothing is better for them than such pride.

One of the best corsets we know for large women is the W. B. REDUSO—best for several reasons.

It is very strong. It is simple—no complicated straps and bands to make it feel like a harness.

It has fashionable lines, and moreover, cut in such a way that it helps a woman to carry herself well. It is inexpensive—\$3, being the price for either of two models.
