chaotic condition in the Senate, there suddenly arose Thursday a coalition of Democrats and insurgent Republicans, which bowled over the regular organization and passed a compro-

len tariff, by 48 to 32. This new force in the Senate unitdown the line and, flushed with vic-The legislative committee is W. A. tory is threatening not only to enact probable yield of cotton, recommend- Stucky, J. H. Claffy and Dr. W. C. the so-called House "farmers' free list" bill into law next Tuesday, but The union called on the legislature to put through a cotton bill as well.

The House Democratic leaders are not willing to accept the compromise are more than willing to meet the wood, of the House ways and means committee, expressed the belief that a bill satisfactory to both houses was more than likely to be agreed

This would put the wool issue up special request of the board of trade to President Taft, and there is much speculation as to what his course would be. While Mr. Taft would make no comment on the situation, there have been strong intimations from the White House within the past few weeks that he would not hesitate to use the veto on any tariff report of the regular tariff board.

ocratic-insurgent combination was formed on June 21, to send the woolinstructions to report it back July riculture." 10. The standpat Senators then admitted that their control of the upper House of Congress had been broken and that they would no long-

er hold themselves responsible. The finance committee, shifting the responsibility to the floor of the Senthe next day. Senator Penrose, chairman of the

feel that a veto would not be to their disadvantage.

The bill as passed by the Senate was drawn by Senator LaFollette and was a compromise between the Underwood bill, which passed the Democratic House, and the original LaFollette bill, both forced out of

the .way. Some idea of the compromise may be had from the proposed rates on raw wool. The House bill proposed a rate of 20 per cent. ad valorem. The original LaFollette bill proposes 40 per cent. The compromise fixes the rate at 35, per cent. It is predicted that the conference will put it

at 30 per cent. The progressive programme is to remain in session until action may be had on the several schedules named. The agreement under which the wool bill was put through extends to the "farmers free list," in modified form.

The Democratic Senators are neither so unanimous or as enthusiastic as the insurgent Republicans for a Price, J. D. Wiggins, S. H. Inabinet, continued revision. They say that much will depend on the President's attitude.

RESOLUTIONS ADOPTED BY THE FARMERS UNION.

Express Themselves on Several Sub-

Recently Held. At their recent meeting in Columbia the Farmers State Union adopted resolution on several subjects. The first was in reference to Dr. Wi-

ley as follows: 'We, the Farmers' Union of South Carolina, do heartily endorse the action of Dr. Harvey E. Wiley in his work of enforcing the pure food law, Out of what had appeared to be and we hereby request the president to continue him in office, and that a copy of these resolutions be for-

warded to the President." The following resolutions which was adopted provides for a legislative committee:

"Resolved, That the president appoint a legislative committee of three persons to loof after all legislation in which the union is interested for the next twelve months."

The following in reference to a tuberculosis camp was adopted: "Resolved, That this body do heartily indorse the movement now on to provide for a tuberculosis camp. The insurgents want the sugar and foot to establish in our State a camp for tuberculosis, and that we agree individually and as county unions to try to influence our respective legislative delegations to aid this cause

> by an appropriation." The following resolution on the

text book adoption was passed: "Resolved, That we do hereby earnestly protest against the wholesale change in the public school Term of Ovid, 67c; Pearson's Latin books by the state board of education at its recent meeting, as such change was, in our judgment, unnecessary and imposes a burden upon that class of our citizens least able to bear such burden."

The next was one endorsing Sencotton estimate as follows:

"We, the members of the Farmers" Union, in convention assembled, do Book five, 40 pages, 5c; Book six, 40 hereby endorse the action of Senator schedules passed in advance of the E. D. Smith in calling the attention Book eight, 28 pages, 5c, Book nine, of Secretary Wilson to the evil ef- 24 pages, 5c. Premier Asquith Makes Plain England's Attidude About Morocco.

ISSUE SETTLED

Speech Delivered in the House of Commons Indicates Nearness of a Crisis in Dispute Between France and Germany Over the Morocco

A cablegram from London says the most pessimistic view regarding the acuteness of the Moroccan situation was taken Thursday in the comment of the prime minister, when he delivered a speech o the House of Commons which had been Great Britain proposed to stand for what she considered her rights and to maintain the balance of power in

Further testimony to the gravity of the situation is given by the fact that the prime minister had taken

firm than Mr. Asquith's. The prime minister's statement

"It is obvious that this Moroccan question has reached a point at which it will become increasingly difficult embarrassing and anxious unless a solution is found." Later he said: "We thought it right from the beginning to make

dying man, converting him like a clear that failing of a settlement such as I have indicated, we must the face. Dr. MacDougal and his become an active party in the discussion of the situation. That would be our right as a signatory to the treaty of Algeciras, as it might be our obligation under the terms of our agreement of 1904 with France. It might be our duty in defense of British interest directly affected by

further developments." In promsing the support of the oposition to the government Mr. Bal-

four said: "If there are any who supposed various oriental countries. In China ferences at home, it may be worth
