

Good Clothes and "Making Good" go together

Because this is true, we've selected Kuppenheimer Clothes as our standard.

They are standard inasmuch as they combine every desirable feature of every other line with an originality and distinctiveness all their own.

These clothes merit your approval; they gain and retain your confidence and good will; they are the way and means by which we are "making good" with the men of this town who know and appreciate correctness in dress.

The Fall stocks are resplendent with the choicest products of the great

House of Kuppenheimer

—they're larger and better than any clothing stock ever shown in this section; they include every style, model and fabric that is deservedly popular; you'll find here and now just the garment that your person demands—that your mind delights in.

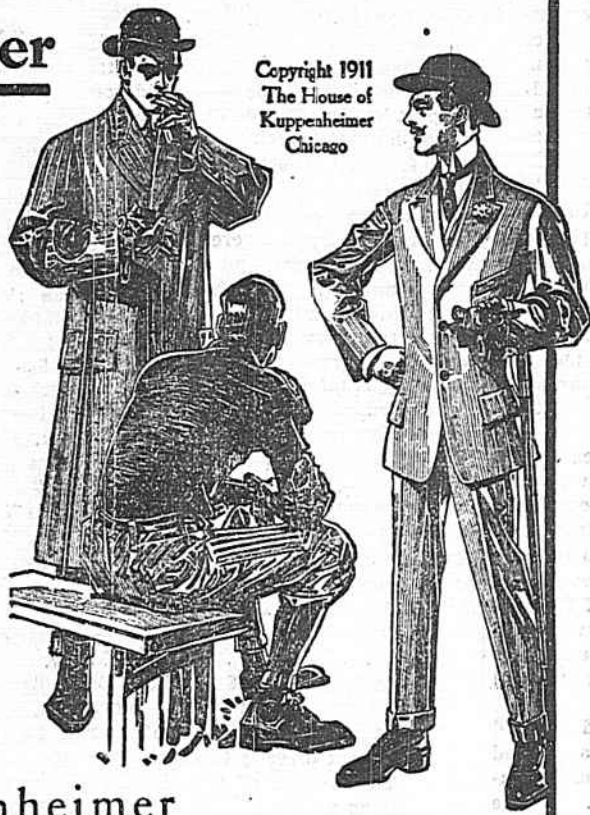

We find it difficult to enumerate any particular special offering—they are all "SPECIAL"—but here's a combination that you will appreciate;—

We want you to feel more than welcome in the bright cheerful store of

The House of McNamara

during Fair Week. Come make yourself at home.

WE WANT YOU ALL TO FEEL THAT THIS IS YOUR STORE, AND IF THERE IS ANYTHING WE CAN DO TO MAKE YOUR STAY MORE PLEASANT PLEASE ASK IT.

MAXWELL WINS GLIDDEN TOUR

WITH A TEAM OF THREE PERFECT-SCORE CARS, MAXWELL IS THE ONLY ONE OF SIXTY-FOUR COMPETITORS TO FINISH THE GRUELLING 1454-MILE JOURNEY WITHOUT A SINGLE PENALTY. ANOTHER MAXWELL ENTERED BY GOV. HOKE SMITH OF GEORGIA, FINISHED WITH A PERFECT SCORE, COMPETING FOR THE INDIVIDUAL PRIZE AND AWARDED THE ANDERSON TROPHY.

Three Maxwell Cars which left New York on October 14, finished their 1454-mile journey at Jacksonville with a perfect score and were

AWARDED THE GLIDDEN TROPHY

Of 64 of America's leading cars, some costing \$5,000 each, which competed in the most gruelling contest in motor car history, the Maxwell came through as the

ONLY TEAM WITH A PERFECT SCORE

Whirling over the roads at a road speed, plowing through mud and sand, fording swollen streams, pounding over the Appalachian Mountains through a cloudburst, and surmounting obstacles that no ordinary tourist would ever meet, they led the way into each control with time-table precision and justly earned the title of

A. A. NATIONAL TOURING CHAMPIONSHIP

They completed their daily journey on the exact schedule, although several times the committee conducting the event had to extend the fixed schedule time to offset unexpectedly difficult conditions met with. The Maxwells never needed these extensions.

The victory of the Maxwell entered by Gov. Hoke Smith in the Anderson Trophy contest gives all prizes offered to Maxwell.

The Maxwell victory is made more remarkably by the fact that it

DUPLICATES LAST YEAR'S TRIUMPH

in the Glidden Tour when Maxwell likewise achieved the best team score.

This undisputable evidence of reliability of Maxwell cars is no surprise to the 47,000 Maxwell owners who have learned to know the dependability of the car through years of consistent daily service.

No car ever made has achieved a record approaching the Maxwell registration in New York State, which shows 91 per cent. of the cars made in 1905 still in service in 1911 after

SEVEN YEARS OF CONTINUOUS USE

All the 1912 models of Maxwell Cars bristle with good points of design, construction, power, and style, which make them undisputed leaders in the motor world. These car values cannot be equaled by other makers.
