Cause of Lockjaw.

Lockjaw, or tetanus, is caused by a bacillus or germ which exists plentifully in street dirt. It is inactive so long as exposed to the air, but when carried beneath the skin as in the wounds caused by percussion caps or by rusty nails, and when the air is excluded the germ is roused to activity and produces the most virulent poison known. These germs may be destroyed and all danger of lockjaw avoided by applying Chamberlain's Pain Balm freely as soon as the injury is received. Pain Balm is an antiseptic and causes cuts, bruises and like injuries to heal without maturation and in one third the time required by the usual treatment. It is for sale by W. E. Pelham & Son, Newberry, S. C., and Prosperity Drug Co., Prosperity, S. C.

A REPUTATION.

How It Was Made and Retained in Newberry.

A good reputation is not easily earned and it was only by hard consistent work among our citizens that Doan's Kidney Pills won their way to the proud distinction attained in this locality. The public endorsement of scores of Newberry residents has rendered invaluable service to the community. Read what this citizen says:

M. W. Webb now retired residing on Harrington street extended, says "Doan's Kidney Pills did me a great deal of good. I used them for my back and kidneys from which I suffered for a number of years, and of late it gradually grew worse. A dull pain right across my loins, never ceasing night or day was sometimes so bad after sitting for a while that I could not get up without support and at night could hardly turn over in bed. The kidney secretions were very much out of order, very dark and contained a brick dust sediment. My rest at night was much broken on account of having to get up several times during the night. In spite of the use of a number of remedies I could not find relief. Learning of Doan's Kidney Pills I procured a box at W. E. Pelham & Son's drug store and they removed the sediment from the secretions and regulated my kidneys so that I did not have to get up at night like I used to and my back was stronger and does not pain me as it formerly did. I can highly recommend Doan's Kidney Pills."

Mrs. Fred Unrath.
President Country Club, Benton Harbor, Mich.

"After my first baby was born I did not seem to regain my strength although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband insisted that I take Wine of Cardui for a week and see what it would do for me. I did take the medicine and was very grateful to find my strength and health slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."

Wine of Cardui reinforces the organs of generation for the ordeal of pregnancy and childbirth. It prevents miscarriage. No woman who takes Wine of Cardui need fear the coming of her child. If Mrs. Unrath had taken Wine of Cardui before her baby came she would not have been weakened as she was. Her rapid recovery should commend this great remedy to every expectant mother. Wine of Cardui regulates the menstrual flow.
