

ST. PHILLIPS COMMUNITY.

Kalula's First Fire—School, Under Miss Laura Bowman, Moving Along Nicely.

St. Phillips, Nov. 16.—The people of this community have about finished gathering cotton.

On last Monday night the little town of Kalula had the first fire since it was established, a blacksmith shop being destroyed.

This community recently enjoyed a lecture by Dr. Peery. The address was strong and was listened to with a great deal of pleasure.

Our school is moving along nicely under the control of Miss Laura Bowman. In the judgment of this community, Miss Bowman is one of the best teachers in the public schools.

Your Opportunity To Do Good.

The Thorowell Orphanage is located in Clinton, South Carolina. It is the property of the whole Southern Presbyterian Church.

It cared last year for 216 orphans, with 28 teachers and officers in charge. Of the orphans, 112 were from South Carolina, 46 from Georgia, 15 from Florida.

The support of this family and their education was provided altogether from voluntary donations.

They do their best toward self help. They cook their own food, make their own clothing and shoes, raise all the milk, butter and vegetables used, and dispense with all servants.

They are worthy. They are your own little brothers and sisters.

Thanksgiving day is coming. Show your thankfulness by sending a gift of money or provision to the founder and head of the Institution, Rev. Wm. P. Jacobs, Clinton, South Carolina.

Here is your opportunity to do good.

First Cost Not the Cheapest.

The first cost of an article does not necessarily determine its cheapness. For instance, a sack of "Clifton" flour may cost you a little more than other so-called patent flours, but it will be cheaper to you in the end.

A CANVASSING AGENT with small amount of money may secure the agency of a California product that can be sold to every family of Newberry and surrounding country.

How to Make Money.

Agents of either sex should today write Marsh Manufacturing Co., 538 Lake Street, Chicago, for cuts and particulars of their handsome Aluminum Card Case with your name engraved on it and filled with 100 Calling or Business Cards.

Caution!

This is not a gentle word—but when you think how liable you are not to purchase the only remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Throat and Lung troubles without losing its great popularity all these years, you will be thankful we called your attention to Boschee's German Syrup.

A DIALOGUE.

Say John, I heard you say the other day that Moseley Bros had the largest and best selected stock of Goods in the County, and they sold them cheaper than any house in the County, in fact any house in the Up Country.

All right—first, their Stock is the largest, because they keep most everything from a Cambric needle to a four horse wagon.

You say best selected? Yes, their experience in business nearly forty years enables them to make fine selections. They know the wants of the people and are selling goods to the 4 generations.

What a record! You say they sell them cheaper? Yes, they know the best markets to buy in, and they pay no house rent owing to the immense two store brick building, 100 ft. X 50 ft. and Warehouse adjoining, very small town tax, no water or electric light tax and nothing of the kind, and their expenses for help, etc., are much smaller than many others.

What all do they keep?

O, my! you better say what is it they don't keep? They keep Millinery in profusion, the new and nice things and their business in that line this fall has been wonderful, having handsome orders from two adjacent states and from other towns in our State.

How about clerks?

Polite, kind and nice. Well I must pay them a visit, you say a little money goes a long ways in that house.

Yes, sir, it does. I mention a few prices to show you I am not lying about what I have told you:

MORPHINE

Opium Whiskey and All Drug Habits

Cured Without Pain at Your Home.

THE BEST OF SANATORIAM FACILITIES IF DESIRED.

If you are addicted to these habits you think you will quit it. You want; you can't unaided; but you can be cured and restored to your former health and vigor without pain or the loss of an hour from your business at a moderate cost. The medicine builds up your health, restores your nervous system to its normal condition; you feel like a different person from the beginning of treatment, LEAVING OFF THE OPIATES AFTER THE FIRST DOSE. You will soon be satisfied in your own mind that you will be cured.

Mr. T. M. Brown, of DeQueen, Ark., says: "Over seven years ago I was cured of opium habit by your medicine, and have continued in the very best of health since."

Dr. W. M. Tunstall, of Lovingson, Va., says: "I am glad to say that I firmly believe that I am entirely and permanently cured of the Drink Habit, as I have never even so much as wanted a drink in any form since I took your eradicator, now eight or ten months ago. It was the best dollar I ever invested."

Mrs. Virginia Townsend, of Shreveport, La., writes: "No more opium I have taken no other remedy than yours and I make no mistake when I say that my health is better now than it ever was in my life, and I owe it to you and your remedy. It has been twelve years since I was cured by your treatment."

For full particulars address, Dr. B. M. Woolley, 307 Lowndes Bldg., Atlanta, Ga., who will send you his book on these diseases FREE.
