

MISTRIAL IN COOK CASE.

\$200 Verdict Agreed Upon in Case of Fulmer vs. Southern--Common Pleas Court.

The common pleas court adjourned late Saturday afternoon.

The case of E. Herbert Cook vs. the Carolina Manufacturing company, suit for damages in the sum of \$15,000, resulted in a mistrial. The case was entered upon Wednesday morning and was given to the jury at about ten o'clock Saturday morning.

In the case of Fulmer vs. the Southern, counsel agreed upon a verdict of \$200 for the plaintiff and a jury was empanelled and the verdict promptly rendered, the entire case consuming less than fifteen minutes of the time of the court. The case had been appealed to the supreme court and remanded to the circuit court for a new trial. The right of a railroad company to charge excess fare where ticket was not purchased by passenger was the main point at issue.

These two cases were the only cases heard by juries during the week, the one resulting in a mistrial and counsel agreeing upon a verdict in the other.

A NEGRO MIX-UP.

Men Fought Each Other and Then Fought Women--Shot-guns in Evidence.

There was a lively fight among a number of negroes on Spearman's row, just outside the eastern limits of the city, early yesterday afternoon.

It seems that a number of negroes were in the adjoining woods gambling, liquor flowed freely and a fuss was started. Ed. Williams and Will Brown had a shot-gun between them and they fired several times, without effect, at Nathan Lindsay and Jim Smith.

The police authorities went down and quieted the disturbance, but as these houses are outside the town limits the police force had no authority to make arrests.

Several warrants were sworn out before Magistrate Campbell yesterday afternoon and he will deal with such offenders as have not left for parts unknown.

There have been several incidents of this kind in this particular locality during the past several weeks.

NOVEL AND UNIQUE

Will be the Entertainment to be Given by the Lutheran Ladies on the 20th Of this Month.

By their several very pleasant entertainments during the past year or more the ladies of the Lutheran Church of the Redeemer have gained a very happy reputation for their ability to provide at small cost to the public an entertainment that is novel and unique and all together enjoyable.

The entertainment has not yet been named for the reason that the most diligent English students who have been consulted have failed to suggest a name so all comprehensive as to include the pleasures of the whole evening and at the same time conveying the idea that all these pleasures may be taken in for the small price of the admission at the door, which is twenty-five cents.

The entertainment will be given in the armory on the night of the 20th of this month. The tickets admit to the hall and the coupon attached is good for a good luncheon which will be served in the cafe by young men dressed as chefs.

A gypsy band telling fortunes will be encamped in the hall. The gypsies will render instrumental music and there will be a number of vocal selections, including the celebrated gypsy chorus from "The Bohemian Girl."

All articles on the notion table, including toys for the children, useful articles for those who are not children any more, will be sold for not more than five and ten cents. Delicious candies will be served at a candy booth. There will be a postoffice, a fish pond, and a cake table, at which cake will be served.

The place is the Armory, the date, Friday, the 20th.

A WAY OPEN

Many a Newberry Reader Knows It Well

There is a way open to convince the greatest skeptic. Scores of Newberry people have made it possible. The public statement of their experience is proof of the value of Doan's Kidney Pills. Read this case of it given by a citizen: W. F. Ewart of the firm of Ewart Pifer Co., clothiers and gentlemen's furnishings address Main street says "I have used Doan's Kidney Pills with very great benefit. I suffered with my back and kidneys for quite a while the secretions from the kidneys were very dark, contained sediment and were annoying particularly at night. There was a dull pain across my loins for which I wore plasters and used liniments but without any apparent effects. I noticed in our newspapers what Doan's Kidney Pills had done for others, and I called at W. E. Pelham & son's drug store and procured a box and used them according to directions. Since then my kidney secretions have regained their natural color and action my rest is not disturbed at night and the pain in my back has entirely left me."
