

SPARTANBURG "COP" CAUGHT.

Store Had Reported Robberies and Another Officer Was Set to Watch the Store.

Spartanburg, August 24.—The alleged attempt of F. R. Mulligan, a member of the police department of Spartanburg, to rob the cash drawer in the Dupre book store at 4 o'clock this morning, but which was frustrated by Officer Rice Nolen, caused a big sensation in police circles and throughout the city, when it became known. Mulligan is alleged to have been caught in Warren Dupre's book store early this morning by Private Rice Nolen, who had been stationed inside the store, as it had been reported that the place had been frequently robbed. Policeman Nolen was secreted inside, and when the early morning intruder entered the store through the front door by means of a key, he approached the cash drawer. Officer Nolen, who was not far away, arose and in rising from his position his pistol struck the counter or showcase, making a noise causing Policeman Mulligan to beat a hasty retreat out of the front door. Nolen gave pursuit, chasing him around the corner at Ligon's drug store, through North Church street. Mulligan turned into Kennedy Place and made a dash for the alley at Bagwell's corner. Nolen fired three shots, one of the balls entering a glass window in Pearson's fruit store, near Green & Bishop's drug store. When Mulligan turned into the alley at Bagwell's store he opened fire, but whether he shot at Nolen is not known. He was overtaken in the narrow street by Nolen, and he broke completely down and cried like a baby.

Policeman Rice Nolen, when asked about the alleged attempt at robbery, stated that he was off on his vacation, or was supposed to be taking a holiday; that a report had been made that the Dupre book store was being entered at various times, and that money, fountain pens, presents, etc., were being taken from the store. Night before last he was detailed to watch the store, and was secreted inside of the building. A man entered the store, but he could not distinguish him, for the reason that he was in the back portion of the store. The reason he was in the rear of the store was because he thought the intruder would enter from the rear. The man, however, came in through the front door, and left the same way. Last night, he said, he set his trap to catch the would-be robber at the front of the store. Officer Nolen said he secreted himself near the cash drawer and this morning he was astonished to see Policeman Mulligan enter the store through the front door and make his way towards the cash drawer. Nolen said he arose from behind the counter or table and in doing so his pistol struck the counter and Mulligan took flight. He gave pursuit, firing several shots, three in all. Mulligan ran around Ligon's corner, turned into Kennedy Place, and then dashed through the alleyway near Bagwell's grocery store.

Private Mulligan, who was caught in the store last night, was acting sergeant of the force, taking the place of Sergt. John Jackson, who is at Hot Springs for the benefit of his health. He was also mentioned as a possible candidate for chief of police under the new administration.

DIDN'T MEAN TO ABUSE SENATE.

Solicitor Otts Said He Had no Intention of Saying Senators Had Been Bought.

Gaffney, Aug. 23.—Solicitor Otts said today that he did not mean to say to The News and Courier correspondent that the South Carolina Senate had been bought, but that at the time he made the statement he had not read the report of Tillman's speech at Richburg, and that when he said: "I would not be surprised if Tillman was right," he had reference to the difficulty with which any legislation was gotten through the Senate. Otts was in opposition to the railroads in the State. Mr. Otts further said that he had no idea that his remarks would be published, although he did not ask The News and Courier correspondent not to quote him.

He says that he has numbers of warm personal friends among the Senators whom he knows to be men of the highest integrity, and that it is absurd to talk about these men having been bought, or that they are venal.

Spartanburg, Aug. 23.—Skeet Poat, manager of the Glenn Springs club house, was arrested today on the charge of maintaining a nuisance and

his place of business raided, the officers capturing many bottles of beer and a small quantity of whiskey, together with packs of cards, poker chips and other gambling effects. The officers making the raid were Constables John Miller and Moss Hays and Mr. Isom Miller. These officers went down to Glenn Springs armed with five warrants to search the club house and to arrest those connected with it. The officers did not find any gambling going on at the time of the raid.

Manager Poat was arrested, but he gave bond before Magistrate Lancaster and was not brought to town. A negro named Nelson, one of the attaches of the place, also succeeded in giving bond. Henry Davis, colored, was the only party locked up.

The warrants for the Glenn Springs club house were issued by Magistrate Kirby. They were sworn out at the instigation of a number of prominent citizens of the Glenn Springs section, several ladies being among those who made complaint.

BRAVE FEAT BY CAROLINIAN.

Dauntless Hunter Invades Den of Desperate Lynx, in Ohio, and Kills Leader.

Lowell, O., August 23.—William Smith, a South Carolina hunter, showed his bravery when, armed with a big knife, he crawled yesterday into

a den of lynx, near here, and killed the leader of the band. The battle lasted three hours. The lynx was six feet in length.

For several months the lynx have been a terror to the community. They have killed stock and attacked people. Their den was in a wild and rock ravine, and none dared to attempt to rout them. Smith organized a posse to help him fight the animals, but he had barely gotten inside the den when the posse, frightened at the growls of the animals, fled in terror. The battle was fought in darkness and the den was so small that Smith was unable to stand erect.
