Before bringing this report to a them as her sons. close there is one special work for next year that your chairman would call to the attention of all the chapters. The U. C. V. have tried to make an enrolment of all the soldiers of the State. For nearly eight years They fell for us, and for them should they have worked at this with no great success. The Commandant, Gen. Zimmerman Davis, in a recent letter, wrote that he had become discouraged over the lack of interest shown by the veterans, and at the Greenville Reunion had resigned the chairmanship of this committee in For the men who wore the grey." favor of the Sons of Veterans. But the work is still lagging, and the Daughters might now aid in it. Your chairman would beg that each chapter find out from the Clerk of Court in its county, how the enrolment has progressed, and if it is not finished
