CHRISTIANS KILLING JEWS.

Elias Zimmerman Explains Reasons for Jewish Prejudices Against Christianity—Says Jews do Not Understand Real Attitude of the Church.

Mr. Elias Zimmerman, the Christian Jew who is to speak in this city at the Aveleigh Presbyterian church on "Why the Jews do Not Accept Christ", at 11 o'clock next Sunday, was talking recently about the attitude of the modern Jew towards the Christian church.

hundred pupils. The girls outnumber the boys more than two to one with more than one hundred high school pupils. Newberry is lagging behind with a three-year high school. In the first year high school there are more than twice as many pupils as are in the second and third years together. How does it come that Newberry is not keeping her pupils in the high school? What has become of all these boys that should be in the high school?

W. H. HAND. Card of Thanks.

The committee takes this opportunity publicly to express its gratitude and thanks to the people of Newberry and county, especially the white friends, who gave such whole-hearted and unstinted support to make the demonstration meeting of last Friday night and Saturday a grand success.

The committee is without words fully to express what it feels in this regard. We wish also to say that if anything has been done either in word or deed by any one calculated to mar the occasion, we regret it sincerely and most emphatically disapprove of it. This is a time that calls for union of interests and purpose by all the people. Surely the black man has a chance now that he has never had before.

Every difference, whether real or apparent, sinks into insignificance and falls before the grand opportunity which is now held out to the Negro. The only thing to be done by the Negro is to seize the opportunity as it passes by and make the wisest possible use of it.

We extend our heartiest thanks to the white speakers who addressed us on this occasion, our county papers for their liberality in publishing this meeting and the Newberry Concert band for the excellent music rendered for us.

RECKLESS DRIVING.

St. Matthews Physician's Car Damaged Sunday Afternoon

The State. St. Matthews, Oct. 9.—While out in the pursuit of happiness and extending a call to relatives in Lexington county Sunday afternoon, Dr. and Mrs. T. H. Dreher came near finding themselves, together with the three small children of L. S. Dreher, and Dreher Stack, who was in charge of the car, victims of a serious affair. When within about three miles of Lexington a car was seen approaching from the distance at an incredible rate of speed. The apparent recklessness of the driver caused them not only to give the required half of the road but they cleared it and literally took to the woods, leaving only the edge of a rear wheel near the roadside. The approaching party sped on and when within a few feet, suddenly swerved his car in the direction of the Dreher party, striking the rear wheel and demolishing it and doing his own car considerable damage. Upon being asked the reason for such unwarranted conduct, the answer was that "accidents will happen" and a lame effort was made to lay the blame on the steering gear.

WOMAN FATALLY INJURED

Mrs. H. C. Rohr, Laurens, is Struck by Auto

Laurens, Oct. 9.—Mrs. Helen Goldsmith Rohr, wife of H. C. Rohr, proprietor of the Laurens Hotel, died tonight shortly before 10 o'clock from injuries received this afternoon in an automobile accident. Mrs. Rohr was a native of Baltimore. The accident that cost the life of Mrs. Rohr occurred at the corner at the Laurens National Bank, when a car driven by Mr. Wright, of the Laurens Motor-Car company, struck the lady and drove her against the wall of the building the front spring of the machine piercing her limb above the knee. She was immediately removed from her pinioned position and taken to the hotel. It is said Mr. Wright, in approaching the corner following closely behind another car, lost control of his machine when he attempted to turn it in order to miss hitting Mrs. Rohr, who was in the act of crossing the street, toward the corner of the People's Loan and Exchange Bank building. Instead of going forward the lady stepped backward only a few feet, and it was thus that she was caught between the car and the building.

THE HERALD AND NEWS YEAR FOR ONLY \$1.50

MRS. PHILIPS TAKES IRON IF BLOOD IS BAD

Suffered Two Years With Pellagra Couldn't Walk About The House Iron Built Her Up

TELLS WHAT KIND OF IRON TO TAKE

Everyone's energy, vitality and general good health depends so much upon the condition of their blood, and the moral functioning of the vital organs of the stomach, kidneys, liver, and bowels, the slightest irregularity should be corrected immediately.

Anyone troubled with their blood, for instance, is sure to sooner or later experience uric acid pains, weak, lame back; lost strength; nervousness; headaches; dizzy spells, or some other kindred symptoms, and iron has become so well known as the one best remedy everybody should use it. The question is, in what form? Iron is put up by the chemist in pills, liquid solutions, and mixed with all sorts of elements including, in some cases altogether too much alcohol for the good of the system.

The cheapest, strongest, most efficient remedy is plain, natural iron, highly concentrated, and bottled just as nature intended it should be taken. It is called Acid Iron Mineral, is sold by druggists in fifty-cent and dollar bottles. It goes from two to six times as far. It will help the digestion, stomach, kidneys, and blood. If the bowels are inactive a good liver pill like the A-I-M Liver Pill at 25c for a generous size box is recommended. People with normal bowels should not use iron formed in combination with laxatives. Altogether too many remedies contain purgatives.

To indicate how quickly Acid Iron Mineral will cleanse the blood and tone up the general system and renew the wasted strength the statement of Mrs. N. E. Phillips of Kershaw, S. C., is quoted below:

"I began to be troubled with my bowels, stomach and blood a little over two years ago. It finally turned into pellagra and at the end of that two years suffering I couldn't even walk about the house. Mrs. Ella Hunter suggested I take Acid Iron Mineral and after taking it six weeks and using but four small bottles, I am up and about doing my work and gaining in strength every day. It has done me more good than anything I have ever tried and am glad indeed to recommend it to anyone who needs a good tonic or for pellagra or stomach trouble.

A teaspoonful of Acid Iron Mineral in a glass of drinking water after meals makes an unusual, powerful, economical and delightfully invigorating tonic, appetizer, blood, and kidney remedy.

A large dollar bottle if druggist hasn't it will be sent prepaid on receipt of price by the Ferrrodine Chemical Corp., Roanoke, Va.

"Acid Iron Mineral is sold here by Dr. P. E. Way and other good druggists throughout the state."

30 CENTS FOR COTTON MINIMUM PRICE

Delegates to Cotton Conference Declare Farmers Should Not Take Less

New Orleans, Oct. 2.—Thirty cents a pound for cotton is the minimum price, delegates to the cotton conference here decided today to advise their constituents to hold out for.

Delegates from Texas and South Carolina were chiefly instrumental in having the minimum price adopted. I. B. Jackson, of Georgia, offered the amendment to the resolution declaring that the price of manufactured cotton justifies the farmer in receiving a minimum price of thirty cents.

A resolution was also adopted providing for a cotton states official marketing board to be composed of the commissioner of agriculture, directors of marketing houses and presidents of farmers unions in the cotton states.

ALMOST LIKE MIRACLE WAY TANLAC WORKED

Mrs. Evans Says Those Terrible Spells Have Been Relieved

SUFFERED 12 YEARS

Very First Dose of Tanlac Made Slight Change For Better—Is Unusual Statement

After suffering twelve years, the last several months of which was so severe she believed herself on the verge of the grave. Mrs. Ella Evans, of Iva, S. C., R. F. D. 4, in June, 1916, had obtained so much relief from Tanlac that "it seemed almost like a miracle the way Tanlac worked," according to her description. Mrs. Evans gave the following statement regarding the benefit Tanlac gave her:

"I suffered from a very bad case of stomach trouble for twelve years before I began taking Tanlac, and it seemed that no medicine would break up my trouble. I frequently would have terrible spells when my heart, nerves and stomach would all get out of order at the same time. I suffered terrible pain then. I had begun to fear I'd never be well again.

"At night I could not sleep well and I was so weak I could hardly be up. Really it seemed that my whole system was out of order in every way and I got no better, though I had the best medical attention.

"Some of my relatives persuaded me to take Tanlac. I have just finished my first bottle and just a short time ago I ordered the second. I am a great deal stronger now in every way and I've not had one of those terrible spells since I started taking Tanlac. My heart, nerves, stomach, liver and bowels have been regulated by the Tanlac. I have a good appetite, too, now.

"The very first dose of Tanlac made a slight change for the better, and in my case it seemed almost like a miracle the way Tanlac worked. In every way Tanlac has made my health better and I am so happy, for I believe I am on the road to recovery. I sure will continue to take Tanlac for it certainly is wonderful."

Tanlac, the master medicine is sold by: Gilder & Weeks, Newberry, S. C., Dr. W. O. Holloway, Chappells, S. C., Little Mountain Drug Co., Little Mountain, S. C., The Seizler Company, Pomaria, S. C., Prosperity Drug Co., Prosperity, S. C., Whitmire Pharmacy, Whitmire, S. C.—Adv.
