GATHERING OF CHOIR LEADERS AND INSTRUCTORS

County Singing Association Meets at Mayer-Memorial E. L. Church.

On the fifth Sunday afternoon in March, from 2 until 5 o'clock there will be a meeting of a county, inter-denominational, singer's association, organized in midsummer of last year at Johnston public school.

Aside from its brief business deliberations the program of the convention will consist entirely of song. The old gospel hymns that have stirred the hearts of the fathers will be sung, both in separate and united rendition.

The public is cordially invited to attend this convention at Mayer-Memorial church; and as the necessity is apparent ample arrangement will be made for the entertainment of the members of the convention.

40 TENNESSEE COAL DEALERS INDICTED.

Knoxville, Tenn., Feb. 14.—As a result of investigations by the federal grand jury here, indictments were returned today against more than forty local coal operators and dealers in east Tennessee, charging conspiracy to violate the Lever Food control act.

U. S. District Attorney Kennery says that all of the men named in the indictments will be prosecuted under instructions from the Department of Justice.

ALL WORN OUT.

Does morning find you with a lame, stiff and aching back? Are you tired all the time—find work a burden? Have you suspected your kidneys? Newberry people endorse Doan's Kidney Pills.

Mrs. B. F. Cannon, 1902 Harper St., Newberry, says: "I suffered terribly from kidney ailments. I had such terrible pains in the small of my back that I couldn't turn over in bed and many nights I didn't get any rest at all.

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Cannon had. Foster-Milburn Co., Props., Buffalo, N. Y.

The Constipation Evil

There is no ailment to which the body is subject that is so far reaching in its injurious effects as constipation. It means a congestion of the bowels and usually causes sick headache, pains in the back, sour stomach, swollen complexion, offensive breath or loss of appetite.

THE HERALD AND NEWS.

We told you a few issues back that we were going to print the best newspaper this year that we have ever printed, and that means some paper.

We have had our troubles for the past several months, and sometimes the future looked gloomy. I am optimistic by nature and can't help it, and don't deserve any credit for it, though I am glad that I am.

During these months of trial we lost some of our subscribers. I suppose they thought it would not be well to renew with us, and so went elsewhere. At any rate, all who did not renew and whose time was cut prior to January 1 have been taken from our list.

Beginning today and continuing up to and through March 2, I am going to sell The Herald and News for ten months for the sum of one dollar. No more, no less. This applies to the 1800 now on our list and to all who may desire to join the family.

Beginning next week we are going to commence printing "Over the Top" by Arthur Guy Empey, an American boy who got into the war two years ahead of his country.

I read it and with a great deal of interest. You will like to read it, and we are going to print a few columns in each paper beginning next week.

Beginning next week we will also publish a page a week of farm news

adapted to our agricultural conditions and climate.

The moral of this story is, get on our list at once so that you will not miss an issue, and if you are already on get in good standing by sending the dollar, so that you may remain there. Not sed.

E. H. A.

F. S.—I forgot to tell you, but then you know, how well our reporter covers the local field and what good readable editorials we write and that The Idler, whose stuff is appreciated by some of our readers, promises to resume his ruminations.
