A lovely affair of the week was the informal dance given Monday evening by Miss Ellen Wheeler at the home of her parents, Dr. and Mrs. J. S. Wheeler. The shady porch, overlooking the nearby woods and brightened by beds of perennials, furnished a charming setting for the young folks, where dancing was enjoyed. Later ices and cakes were served.

An ideal summer party was enjoyed by the members of the Epworth league Friday evening when Miss Joe Langford entertained at the home of her parents, Mr. and Mrs. P. L. Langford. The rooms were most attractive in their decorations of garden flowers. In a flower contest Miss Agnes Long and George S. Wise won first prize. Miss Bertha Roof assisted the hostess in serving an ice course.

Prominent among the social affairs of the week was the dance given Thursday evening by Miss Myra Hunter. The lower floor of the handsome home was thrown together and decorated with quantities of roses and ferns in baskets and urns and banked wherever possible. Punch was served throughout the evening and later tempting refreshments were enjoyed.

An affair that brought much pleasure was the "darkey party" Saturday afternoon given by Miss Frances Bedenbaugh in honor of the Light Brigade of Grace church. The lower floor was thrown en suite, and a miscellany of summer flowers was effectively used in decorating. Bonbons were given James Lee Counts and Werts Hartman who came nearest pinning on the donkey's tail. Lemonade, ice cream and cake were served by the hostess assisted by her sister, Miss Helen Bedenbaugh.

The July meeting of the Literary Sorosis was held Friday afternoon with Mrs. C. T. Wyche as hostess. The subject of study was a continuance of South Carolina. Roll call: Our historians and men of science. Sketch of William Gilmore Simms, Mrs. J. F. Browne. Character sketch of Samitee, the Yemassee chief, Mrs. T. A. Dominick.

In addition to this they won \$25.00, the Elliott prize, for the greatest per cent increase in tithers. During the past year, which ended July 1, 1922, this society was under the supervision of G. D. Brown, Jr. At the annual election of officers recently held Mrs. Raymond Caldwell was elected president. A public meeting of Y. P. C. U. of the A. R. P. church was held Sabbath morning. The speakers of the occasion were: A. N. Crosson, whose subject was, "The Duty of Parents." Mrs. Raymond Caldwell read the excellent paper which she read before the district conference of Y. P. C. ## Enroll Today!

Get Your Name on a Club Roll Today if You Wish to Vote in the Democratic Primary Elections This Summer. You Cannot Enroll After Tuesday, July 25th. That Is the Last Day. But Do Not Wait Until the Last Day

The Herald and News is interested in seeing that every white man and woman votes in the Democratic primary election. You cannot vote unless you enroll on a club roll book.

Many confusing and misleading statements as to enrolling and voting, and especially regarding the women voters, have been made. The Herald and News, desiring to give the people correct information, has asked Mr. Eugene S. Blease to answer certain questions regarding the law of the state and the rules of the Democratic party pertaining to enrollment and voting in the primary. His letter is printed in full below. Mr. Blease is not only a lawyer, but is a member of the state legislature and the member from Newberry county on the State Democratic Executive committee.

Newberry, S. C., July 17th, 1922.

The Herald and News:

Replying to your inquiries of this date, I beg to answer as follows:

1st. Persons who vote in the primary elections this year must enroll this year. All old enrollments are done away with.

2nd. No person will be permitted to enroll after Tuesday, July 25th, 1922.

3rd. A county registration certificate is not necessary for enrollment for the primary. No tax receipt of any kind is necessary. All the voter has to do is to write his or her name, age, occupation and address on the club roll book of his or her club. If the voter cannot write, some one else can do the writing. But the voter must appear in person.

4th. Women voters will not be required to pay poll tax, or to pay street duty, or to pay road tax, or to serve on a jury, or to do military service, or to hold any office. The law exempts women from all these duties whether they vote or do not vote. The law does not even require these duties of a man for voting in a Democratic primary. Men perform these duties regardless of whether or not they vote.

5th. A young man or young woman who will become twenty-one years of age on or before the 7th day of November, 1922, can enroll and vote in the elections of this year. These should enter their age as "21."

Yours very truly,  
EUGENE S. BLEASE.

## LEVERS BANK DOING WELL IN NEWBERRY

### LEND MONEY ONLY ON FARM LANDS

#### B. C. Matthews Is Bank's Representative in Newberry County

The First Carolinas Joint Stock Land bank of Columbia, S. C., is now ready to do business in Newberry county. Mr. A. F. Lever, for many years a member of congress from the 7th congressional district, from which office he resigned to accept a place on the Federal Farm Loan board, is at the head of this new bank, with headquarters in Columbia, S. C. Mr. Lever is well known in Newberry, and it is a source of pleasure to his many friends here to know that the destiny of this new land bank is in his hands. Mr. Lever recently resigned his place on the Federal Farm Loan board to become head of this institution, and Gov. R. A. Cooper was then appointed to the place on said board made vacant by Mr. Lever's resignation. By reason of his long service in congress as chairman of the committee on agriculture, and as a member of the Federal Farm Loan board, Mr. Lever is exceptionally well qualified to render valuable services to the farmers of South Carolina. Mr. B. C. Matthews has been named the local representative of this bank for Newberry county. When asked for a statement as to terms of loan, methods of operation, etc., Mr. Matthews said:

"The First Carolinas Joint Stock Land Bank of Columbia, S. C., is chartered under the federal farm loan act and is operated under the same federal supervision of the Federal Farm Loan board. It is the first of these banks to be organized for business in the two Carolinas. The bank operates very much along the same lines as does the Federal Land bank of Columbia and under the same supervision—being a part of the farm loan system, it is intended to furnish the farmers of the state an opportunity to procure basic capital upon such reasonable terms of repayment of principal and at such reasonable rates of interest as shall make the burden so easy to bear as that the farmer desiring capital, either to purchase lands or for improvement purposes, need not hesitate to assume it. Loans are made on improved farm lands only. Applications of less than \$1000.00 will not be accepted by the bank, nor will loans be made in sums of more than \$25,000.00. Loans run for 33 years; the rate of interest is now 6 per cent, payable semi-annually, to which is added annually one per cent, which extinguishes the debt at the end of that period. It will thus be seen that loans are made on the 'amortization' plan—the borrower pays the same amount every six months, more and more of which represents principal, and less and less interest. If, however, the borrower desires to discharge the mortgage before the end of the 33 years he is permitted, under the law, after five years to do so, and may do so even before the expiration of the five years under certain rulings of the Farm Loan board. The borrower may, if he desires, increase his annual payments, which will serve to reduce to length of his mortgage. Loans will not exceed 50 per cent of the appraised value of the land, as determined by government appraisers. The bank deals directly with the borrower; all proceeds of these loans must be used for agricultural purposes. I feel confident that this institution is going to be of great service to the farmers of this county and state."

Those desiring more information about this institution and the terms and methods of loans may get full information from Mr. B. C. Matthews, president of the National Bank of Newberry, S. C.
