

## NEWBERRY'S PURE WATER AND EXCELLENT HEALTH

Superintendent Homer Schumpert Always on the Alert With Keen Eye and Ready Hand

Mr. Homer Schumpert, the active and untiring superintendent of the Newberry water and light system, notwithstanding the fact that the city water was recently analyzed and found to be all right was considerably worried because of the presence of some typhoid fever in the community. Determining to find out the cause he sent another sample of the water to Charleston to have it analyzed by Dr. F. L. Parker at the office of the state board of health, so anxious was he to see if the water here had anything to do with the cases at hand. The four cases were as follows: Mr. Floyd Bradley, young Berry, Mr. Otto Foster's child, and young Gilliam. Under date of the 15th instant Dr. Parker writes Mr. Schumpert a letter, a most important part being the following sentence: "Analyses indicate water to be of good quality, and free from contamination." It is a significant fact that there is no sewerage in the houses whence these cases originated; which shows that there is something in that statement. That the artesian water of Newberry is free of contamination and is of good quality is cause for thankfulness and the public should; and doubtless does, appreciate the watchful efforts of Superintendent Schumpert in exercising himself to see that, as far as in his power, the city shall be kept in a healthful condition and continue to enjoy the reputation established. It is cause for congratulation that there have been so few cases of typhoid in this community; and all, as we have said, arising from premises devoid of sewerage.

## SCHOOL MEETING AT DOMINICK NEXT TUESDAY

There will be a meeting of the trustees and patrons of the Dominick school at the school house next Tuesday afternoon at 3 o'clock and not only the trustees and patrons of this school are expected and invited to be present, but the trustees and patrons of the Belfast school and also the trustees and patrons of the Burton school are invited to meet with the people of the Dominick school.

The purpose of the meeting is to discuss together what is the best thing to do to better the school conditions in this community. And it is desired that all the people come out and talk the matter over together.

County Superintendent of Education E. H. Aull is to meet with the people and talk to them and give them whatever information he may be able and to help to reach some conclusion as to what is best to be done. It is desired that there be a good attendance at the meeting and that every one come with a determination to do that which is best for the entire community and for the children especially.

## SACRED TO THE MEMORY OF BERRY BORTOW RIKARD

Whereas God in His wise providence has seen fit to remove by death from Bachman Chapel church and Sunday school our brother and collaborer, Mr. Berry Bortow Rikard, therefore be it

Resolved: 1. That we bow in humble submission to the will of God, saying, Thy will and not mine be done.

2. That in these resolutions we bear testimony to his regularity and faithfulness to both church and Sunday school.

3. That we express to his family our deep sorrow and sincere sympathy in this very sudden and sad bereavement.

4. That we make this testimonial public by having these resolutions published in our county papers, The Herald and News and The Observer.

5. That we send a copy of these resolutions to his family, trusting that it may be of some comfort and consolation to them.

J. D. Kinard,  
W. W. Kinard,  
B. M. D. Livingston,  
Committee.

## Only 4 More Days To Enroll for the Democratic Primary

The Democratic enrollment books have been open over a month, but only a small per cent of the men and women of Newberry have written their names on the rolls. There remain 4 days their names on the rolls in which you may enroll. The books will close on the afternoon of Tuesday, July 25th, and you cannot vote in the Primary unless your name is signed by your own hand, on your precinct roll before that date.

Do not confuse registering with enrolling, you can register any first Monday to vote in the general election in November. If you already have a county registration certificate obtained during the past two years, you need not register again. But no matter how many registration certificates you have, nor how many times you have enrolled before this year, you cannot vote in the Democratic Primary this year unless you write your name on the Democratic club roll of your precinct between June 5th and July 25th, 1922.

Women, as well as men, are urged to enroll.

J. D. WHEELER,  
County Chairman.

## REV. C. K. LIPPARD NOTED MISSIONARY FROM JAPAN

Rev. C. K. Lippard, a noted missionary from Japan, will make an address at the Lutheran Church of the Redeemer July 23rd at 11:30 o'clock. The service is under the auspices of the Woman's Home and Foreign Missionary society and is the time for the bringing in of the mid-summer thank offerings. The members of the society are requested to put their offerings, that have been gathered in their thank-offering boxes since November, in envelopes and place them on the offering plates. The loose offering will go to the cause of missions.

**Ware Shoals vs. West End**  
Ware Shoals will play a game of baseball against West End Friday, July 21st, 1922, at West End ball park. Game called at 5 p. m. Admission 20 and 30 cents.

**Batteries for West End:** Werts and Cromer; for Ware Shoals: Sweetenburgh and Livingston.

**Music by West End band.**  
Everybody is invited to see one of the greatest and hardest fought games of the season. Ware Shoals has defeated West End in two games. But let's see "who's who" Friday. Everybody come and bring some one with you. Cold drinks and ice cream mixed with plenty of good baseball pep will make you forget your troubles.  
"Come one. Come all."

## To the Colored Teachers in Newberry and Adjacent Counties

Please take notice that the summer school for colored teachers will convene in the Newberry colored graded school next Monday, July 24th and will run six weeks. It is important that every teacher enroll Monday and attend regularly. There will be a series of lectures, and the courses of study offer ample opportunity for Newberry teachers to lay the foundation for a great summer school yearly which shall be largely supported by all teachers in the Piedmont. Let us have the earliest support of all.

I will be at the school building next Saturday from 10 o'clock until 1 o'clock to register teachers and give any information desired.

I. M. A. Myers,  
Principal.

## URGES THE WOMEN TO ENROLL AND VOTE

Editor Herald and News:  
I notice in the newspapers throughout the state that the women are not enrolling as they should. And the time for enrolling expires next Tuesday night at 12 o'clock. It is a right and a privilege that has been enacted in our national laws that gives the women the right to the ballot.

Now I, as a Jeffersonian Democrat, appeal to every man in Newberry county who has a mother, wife or daughter who is eligible to vote, to see that their names are enrolled before the time expires.

Newberry is one of the banner counties in South Carolina and let us as loyal and patriotic citizens see that women are enrolled so that they can cast their ballot as well as men on the 29th day of August.

W. M. Wilson.

## TO HOLD MEETING AT CLINTON SOON

Many to Attend Synodical Conference  
The State.  
Chester, July 17.—The headquarters of the subcommittee of laymen in charge of the synodical conference of Christian workers which will be held at the Presbyterian college at Clinton, beginning Monday, July 24, and continuing to July 31, is very much encouraged over the prospect of success. Replies to over 1,000 letters are coming in daily, and it looks as if the Presbyterians of South Carolina are showing a great deal of interest over the approaching general workers' conference.

A splendid program has been mapped out at which some of the most notable speakers of the Presbyterian church in the United States will be present.

A large attendance of both men and women is expected and ample provisions have been made to take care of any number that expect to come.

On Saturday night from 8:40 p. m. through the balance of the evening there will be a laymen's week-end retreat, as scheduled by the laymen's committee.

On Sunday, July 30, in the First Presbyterian church, Clinton the Sunday school will be at 9:30 a. m.

## COLUMBIA WOMAN BOUND AND BEATEN

Unknown Men Attack Mrs. Alethia Norman—Threatening Letter.

The State, 18th.  
Attracted to the rear of her home, 2121 College street, by a rap on the back door, Mrs. Alethia Norman was caught by two unknown men, gagged, bound and beaten. The attack was made about 5 o'clock yesterday afternoon when she was alone at the home and the alarm was given about an hour later when she was found by her little daughter, semi-conscious. Last night it was said at the Norman residence that, while she was severely beaten, the injuries are not thought to be serious.

The police are working on the case, but at an early hour this morning no arrests had been made. The principal clue is four anonymous letters, three of which were received by Mrs. Norman during last week and one of which was left by the two men yesterday afternoon. These letters threatened Mrs. Norman's life and cursed her vilely, according to the police.

**Rap on Rear Door.**  
Mrs. Norman said last night that she was in a front room when she heard a knock. She went to the rear to answer the rap and two men jumped from behind a door, having already entered the house and concealed themselves. One of the men threw a towel over her face and the two men bound her, after tying the towel securely about her head. The men twisted her dress about her body and began beating her, Mrs. Norman said. Severe bruises were made on her limbs and about the body.

After beating Mrs. Norman the men threw a handful of red pepper in her mouth, Mrs. Norman said, and left with the warning that "we are coming back and kill you," this sentence being punctuated by one of the men with a vile epithet. She has no idea who the men are, being unable to say positively whether they were black or white. However, Mrs. Norman said she believed they were white men.

Mrs. Norman was unable to give the alarm for nearly an hour, and when her little daughter returned home she told her to call Mr. Norman who works for the National Biscuit company. Mr. Norman was the first to arrive after his little daughter. He found a switch about the size of a thumb in the bath room, but was unable to say whether or not this was the instrument used by the men.

The switch gave the appearance of having been worn out on something. Mr. Norman said he was at a loss to explain the attack and has no idea as to who the men were.

**Four Letters Received.**  
Mrs. Norman said one of the letters was received last Tuesday and another Friday while the third was found Saturday morning as he went for the morning paper. The fourth letter was left by the two men yesterday afternoon. They were all threatening. One night last week some one threw a handful of sand through their bedroom window, he said.

Mrs. Norman is a rather delicate woman and said she had undergone 11 operations within the past few years. She underwent her last operation in February of this year and had not left her home except to walk to Valley park on one occasion and to go to Green Street Methodist church to services one time since then.

Detectives J. P. Broom and W. T. Kelly went to the home and all last night were working diligently on the case.

and the conference sermon by the Rev. W. H. Hudson, D. D., China, will be at 11 a. m. Sunday afternoon and night will be occupied by a special program in charge of the laymen's committee and open to everybody.

We see by the papers that they are talking about holding another conference of some kind at The Hague.

It is to be hoped that the government will get after Jack Dempsey while it is investigating war frauds.

## Enroll Today!

Get Your Name on a Club Roll Today if You Wish to Vote in the Democratic Primary Elections This Summer. You Cannot Enroll After Tuesday, July 25th. That Is the Last Day. But Do Not Wait Until the Last Day

The Herald and News is interested in seeing that every white man and woman votes in the Democratic primary election. You cannot vote unless you enroll on a club roll book.

Many confusing and misleading statements as to enrolling and voting, and especially regarding the women voters, have been made. The Herald and News, desiring to give the people correct information, has asked Mr. Eugene S. Blease to answer certain questions regarding the law of the state and the rules of the Democratic party pertaining to enrollment and voting in the primary. His letter is printed in full below. Mr. Blease is not only a lawyer, but is a member of the state legislature and the member from Newberry county on the State Democratic Executive committee.

Newberry, S. C., July 17th, 1922.

The Herald and News:

Replying to your inquiries of this date, I beg to answer as follows:

1st. Persons who vote in the primary elections this year must enroll this year. All old enrollments are done away with.

2nd. No person will be permitted to enroll after Tuesday, July 25th, 1922.

3rd. A county registration certificate is not necessary for enrollment for the primary. No tax receipt of any kind is necessary. All the voter has to do is to write his or her name, age, occupation and address on the club roll book of his or her club. If the voter cannot write, some one else can do the writing. But the voter must appear in person.

4th. Women voters will not be required to pay poll tax, or to pay street duty, or to pay road tax, or to serve on a jury, or to do military service, or to hold any office. The law exempts women from all these duties whether they vote or do not vote. The law does not even require these duties of a man for voting in a Democratic primary. Men of certain classes and ages are required to perform these duties regardless of whether or not they vote.

5th. A young man or young woman who will become twenty-one years of age or or before the 7th day of November, 1922, can enroll and vote in the elections of this year. These should enter their age as "21."

Yours very truly,  
EUGENE S. BLEASE.

## Pulaski Lodge No. 20.

S. C. Odd Fellow for July.

On Friday night, July 7th, we, with Governor Wilson G. Harvey, when they double their membership W. A. Hantske, and Jas. A. Clarkson, visited Pulaski lodge No. 20, at Newberry.

They had the installation of officers and a reception to the sixteen new members just taking their degrees. Pulaski lodge has about doubled its membership since the meeting of the grand lodge. We found in the noble grand chair J. Marion Davis, past grand master twenty years ago still working in the subordinate lodge. It makes one feel there is something worth while in Odd Fellowship to hold a man that has received all the honors that the order can give and still work in his local lodge.

Speeches were made by Brothers Jas. A. Clarkson, past grand master; W. A. Hantske, deputy grand master; and Governor Wilson G. Harvey, past grand master. Several short talks by members of Pulaski, and a splendid supper served. It was one

of the largest bodies of Odd Fellows I have seen in a hall in a long time and we have promised to go back when they double their membership again, and that will not be long, for they had ten applications that night.

From what I could see, it is no one man doing all the work, but all men there at work, and the grand master doing his share.

Pulaski has one of the best secretaries in Chas. W. Douglas, in the state.

S. F. Killingsworth,  
Grand Secretary.

Kinard-Steadman

Mrs. Annie Hamitt Kinard of Newberry and Mr. Boyce Merritt Steadman of Denmark, S. C., were married by the Rev. Thomas M. Riddout of Laurens-Newberry, on Thursday afternoon at 3:30 o'clock, at the home of the bride's mother, Mrs. Rena Kinard, and brother, Prof. Jas. C. Kinard. It was a quiet home wedding, immediately after which the newly wedded pair left for a splendid supper served. It was one

of the most beautiful and interesting of the kind ever held in the mountains.

## ANTI-TYPHOID CAMPAIGN BEING CONDUCTED

Typoid Fever Cases Resulting Fatally Arousing the People

Dr. Knotts, county health officer, today stated that the anti-typhoid campaign shows no signs of letting up. Since it was started June 10th, over 2,500 doses of the prophylactic serum have been given to the people of the county.

The increasing prevalence of typhoid all over the county and that the fact that some of these cases have died have made the people in some communities attend the clinics held by the county health department and receive the inoculation against this dreaded disease. It has occurred several times that persons have come to the clinic too late. They were already stricken with the disease. One of these cases, a negro girl at Bush River, later died and another young son of Mr. Satterwhite is convalescing from the fever. If these persons had applied for the treatment a few weeks sooner than these cases would have been prevented.

The county doctors are assisting in the campaign in most instances and at the meeting of the medical association last Friday the doctors reported many cases and also that in many instances they had given the inoculation. A total of 20 cases has been reported to the health department with 4 deaths since June the 1st. Several others are reported as being in a critical condition. There are seven cases of typhoid fever in the town of Newberry.

It is extraordinary that more people in Newberry town are not taking advantage of the opportunity of protecting themselves and their families against this disease. It is given by any of the doctors who make only a small charge for the administration and it may be given by Dr. Knotts, free. While the county of Newberry has turned out more people to take this treatment than any county in the state according to state records, yet the town of Newberry has had but few among this number. An analysis of this fact shows that the people of the town are laboring under a false security. They have adequate sewage disposal and the water supply is properly treated and analyzed and there are the greatest steps against typhoid fever. Yet they get produce from unprotected communities and go on vacation trips to the country and go on bathing in places distant and far away and may at any time swallow the germ left by some typhoid carrier and come home to develop the disease. The county health department issues this warning and calls on the people to come to their office and receive the protective inoculation.

## YOUNG PEOPLE LOOKING TO GREENVILLE

B. Y. P. U. Forces to Meet in the Mountain City—Some May Hike

Columbia, S. C., July 18.—Only two weeks from next Sunday young people by the hundreds representing the B. Y. P. U. forces of the state will meet in Greenville for their twenty-sixth annual convention. Secretary J. L. Baggott at the Baptist headquarters in Columbia, who is directing the preliminaries is receiving enthusiastic letters in regard to attendance. One railroad official reports plans by young people in Charleston to run a special train, and the pastor of one church is devising a scheme for his young folks to hike through the country for over a hundred miles, to the convention.

A great program will be offered to those present, and Dr. John E. White, Dr. Z. T. Cody, Secretary C. S. Leavelle, Dr. R. G. Lee, Dr. C. E. Burts, J. L. Corzine, H. L. Strickland, and H. V. Hamilton are among the well-known names appearing on the program. The meeting will extend from July 30 to August 2, meeting in connection with the Baptist assembly on the campus of Furman university.

The world moves, of course, but sometimes we wonder whether it is going forward or backward.
