> In response to the inquiry of many telephone subscribers: "What can I do to help my service?" this advertisement is published.

The Right Way To End a Call

If you hang up the receiver without doing so, the party to whom you are talking may continue to talk or at least remain at the telephone, wasting his time and keeping the line from being used by somebody else.

The "goodbye" at the end of a telephone talk is an infallible signal to hang up the receiver without delay-it terminates the telephone talk graciously and effectively, and when both parties hang up simultane-
