Mr. Ben Morgenroth, of New York, special representative of the World Film Corporation, was the guest over the week-end of Mr. R. D. Plyler, manager of The Pastime Theatre. Mr. Morgenroth came here at the request of Manager Plyler to see if his theatre is suitable to run the high-class Brady-made pictures. Mr. Morgenroth was very well pleased with the outlook, stating that The Pastime is one of the best ventilated and equipped theatres in this size town in South Carolina, and sees no reason why the people of Manning

should not enjoy these pictures the same as in other places.

The first of these pictures will be shown next Monday night and every Monday and Friday night thereafter. Manager Plyler has been placed on a first-release circuit and his pictures will come direct from Charleston or Sumter.

Some of the highest paid stars in the moving picture world will be shown in these pictures and there is sure a treat in store for the patrons of The Pastime.
