TRY TO ARREST COX AND PARTY FOR SPEEDING

Plan By Republicans to Embarrass Governor-Leyton Charges—Warning Received Saturday.

MUCH REST FOR CANDIDATE

Senator Owen Confers With Nominee Regarding Alleged Impairment of Federal Reserve Act.

Columbus, Aug. 15.—An unsuccessful attempt to arrest Governor Cox and his party for speeding and a harmless accident to one of the cars of newspaper men accompanying him furnished excitement today in the motor trip of the Democratic Presidential candidate returning from Wheeling.

The attempt to arrest the Governor and his party was declared by Roy E. Leyton, Adjutant General of Ohio, who accompanied the Governor, to have been planned by Republicans to embarrass the Democratic nominee. Gen. Leyton said a warning of the plan had been received yesterday.

At Jacksontown, Ohio, about 32

miles east of Columbus, the Governor and his party rode slowly through disregarding outstretched arms of a shirt-sleeved man, and also a large group of persons gathered there. Within a few minutes two motorcycle officers stopped the cars of the Governor and press correspondents, declaring all under arrest and demanding their return to Jacksontown. Governor Cox identified himself, but the officers said they had orders from Jacksontown authorities to arrest all four automobiles of the party "no matter who they contained" on charges of speeding.

Cars Ordered to Proceed.

"You can reach me at the executive office at Columbus any time," Governor Cox replied, ordering all the cars to proceed and leaving the officers busy taking down car numbers on the fly.

Soon afterward, during a heavy downpour and in a jam of automobiles on a slippery road, one of the correspondents cars was forced up an embankment and on an interurban road bed, partially overturning to avoid striking other cars ahead. Occupants were shaken up but crawled

out uninjured and were brought here in the Governor's car.

Despite the two incidents, the Governor obtained much rest on the ride from Wheeling where he concluded a series of five addresses last night. West Virginia Democrats who accompanied the Governor expressed pleasure with the vigor of his attacks upon the Republicans, especially with his charge that Senator Harding proposes a separate peace with Germany.

Feels Sure of Bryan Support.

Senator Owen of Oklahoma, a friend of William J. Bryan, and a candidate for the Presidential nomination at San Francisco, arrived here today to confer with Governor Cox.

Senator Owen said he was not an emissary of Mr. Bryan but felt sure the Nebraskan would support the party ticket. His conference tonight with Governor Cox, according to the Senator, was to give information supporting Governor Cox's statements that plans have been laid to impair the federal reserve act.

Senator Owen declined to make public his information. He also discussed other financial subjects with the candidate.

SINGING CAUSE OF MAN'S DEATH

Springfield, Aug. 16.—A coroner's jury returned a verdict holding that Mike Corbett, whose body was carried to Salley in an automobile yesterday by four men, came to his death by a wound on the back of his neck inflicted by Joe Huggins.

The dead body of Mike Corbett, a farmer 45 years old, who lives about six miles from here, was carried to the town of Salley yesterday afternoon in an automobile by Thos. Herron, Joe Huggins and Rubin Schofield. The occupants of the car stated, it is said, that they had found the body in the public road a few miles from Salley. Upon close questioning, it is stated, their stories conflicted and these three, with a son of Thomas Herron, who was also in the automobile, were placed in custody and separately questioned at an inquest held over the body by the coroner of Aiken county today.

The young Herron boy testified that they were all out riding in the car and that Huggins asked Corbett to stop singing, which he refused to do.

Alabama Minister Relieved

Stomach Troubles Made Him Feel Sick at Meal Times, But Now Always Enjoys His Meals.

DO YOU enjoy your meals? Eat without the dread of the after effects? Lack of appetite, and a disagreeable, sick-at-the-stomach feeling after meals, usually indicate that your digestive organs are not working properly. As a result, you will feel weak, lose weight and lack the energy that is to be derived from well-digested food. A valuable help in correcting such conditions is mentioned by the Rev. R. K. McKenzie, of Route 1, Section, Ala., who writes: "I had stomach trouble. When I would go to eat, I would turn sick. I took one bottle of Ziron, and it cured me. Am always ready for my meals and enjoy them. I think it is a fine medicine." If your food hurts you, if your appetite is poor, if you are pale, weak and run-down, and have other symptoms that indicate your system needs help, try Ziron. It will put iron into your blood and help build you up. Take it according to directions, and if not benefited by the first bottle, the money-back guarantee will protect you. Ask your druggist.

Thereupon Huggins, it is said, struck him on the back of the neck with a revolver and caused Corbett to fall over in the foot of the car. When he made no effort to reseat himself they examined him and found that he was dead. An examination revealed that Corbett's neck was broken and his skull fractured. According to the testimony all the occupants of the car were under the influence of intoxicants. The jury found that Corbett came to his death by a wound on the back of the neck inflicted at the hands of Joe Huggins. Huggins, Herron and Schofield have been lodged in the Aiken jail. Mike Corbett leaves a widow and three children. 666 cures Malaria, Chills and Fever, Bilious Fever, Colds and LaGrippe. It kills the parasite that causes the fever.
