

McLEOD WINS IN LANDSLIDE

BLEASE DEFEATED BY ABOUT 15,000 MAJORITY

**Hope Beats Swearingen for Superintendent of Education.
Outstanding Vote Cannot Change Result in
the Governor's Race.**

Thomas G. McLeod, of Bishopville, was nominated for Governor in the South Carolina Democratic primary held yesterday, defeating Cole L. Blease, of Columbia and Newberry, by a jaroyit which will probably not be under 15,000.

The vote developed what was virtually a landslide for McLeod, and he swept the entire State, carrying all but a handful of counties. More than one county which gave Mr. Blease a majority in the first primary reversed itself yesterday and gave a majority to Mr. McLeod.

The vote yesterday was at least 10,000 greater than that cast in the first primary. Mr. Blease, who received 77,798 votes in the first primary, increased his vote yesterday by less than 10,000. Mr. McLeod, who received 65,768 votes in the first primary, increased his vote yesterday by well over 80,000.

At the hour this edition of The News and Courier of Charleston went to press the vote stood:

McLeod	98,431
Blease	85,059
Total	181,490
McLeod's majority	15,372

State Superintendent of Education
In the race for State Superintendent of Education J. H. Hope of Florence has defeated the incumbent, J. E. Swearingen by a majority which will be somewhere in the neighborhood of 25,000. The figures as tabulated at the time this edition of The News and Courier was published stood:

Hope	100,309
Swearingen	73,349
Total	173,658
Hope's majority	26,760

The boxes are widely scattered, mainly precincts which were unable to telephone in the results, and are distributed as follows:

Berkeley 1, Charleston 5, Chester 1, Chesterfield 2, Clarendon 1, Colleton 3, Florence 4, Georgetown 7, Greenville 4, Hampton 4, Horry 2, Kershaw 2, Lexington 3, Marion 1, McCormick 3, Newberry 1, Oconee 3, Pickens 1, Spartanburg 6, Sumter 2, Williamsburg 2.

The vote was counted very promptly last night and by a little after 5 o'clock The News and Courier was getting reports from all parts of the State. These quickly indicated that McLeod was a probable winner and his lead increased steadily until by a little after 8 o'clock it was clear that he had won. His majority went up to the figure reported above where it became fixed. It is not likely that the outstanding vote will make a difference of more than a thousand or so votes at most in the McLeod majority.

The election yesterday passed off quietly and without any hard feelings. A great deal of interest was manifest especially in the senatorial race. The Auditor's race also was made a point of interest. The friends of each candidate doing what they could for their favorite. Capt. Julian H. Scarborough of Summerton defeated Hon. J. W. Wideman for the Senate, and Mr. Hugh A. Plowden was successful over Mr. Tom H. Kennedy for Auditor. The campaign and election is over, and we congratulate each candidate for the clean and many way they conducted themselves during the time.

In Captain Scarborough we feel that Clarendon will be ably represented in the Senate. He is an honor college graduate, and a man of intellect and high moral character. We are sure that the county will feel proud of his record as a law-maker. One of the greatest compliments to be paid anyone is the standard in which he is held at home. In this, Captain Scarborough received the largest vote ever given a candidate in his home club—Scarborough at Summerton received 288 votes to his opponents 13.

Senator Wideman, while defeated, has nothing to be ashamed of, as he received a handsome vote, but as both of these gentlemen could not be elected, he got the short end of the vote, which was only a little over one hundred less than Mr. Scarborough received.

The election is over, so let's forget all petty politics, go to work and help our delegation all we can—work with them, and not against them.

I. I. APPELT, Editor.

NEWS FROM CLEMSON COLLEGE

(E. D. Plowden, Correspondent)
Clemson College, S. C., Sept. 12.—Clarendon County now has seven young men at Clemson. These are: Mr. J. E. Hodge of Manning Route 1, in the Textile Industry course and a member of the Senior Class; Mr. E. D. Plowden of Jordan, in the Agricultural Education course and a member of the Junior class; Mr. J. H. Timmons, Jr., of Manning, Route 2, in the Agricultural course and a member of the Sophomore class; Mr. C. H. McIntosh of New Zion, Route 1, in the Engineering course and a member of the Sophomore class; Mr. W. W. Bradley of Manning in the Engineering course and a member of the Freshman class; Mr. Charles Wilson of Manning, in the Agricultural course and a member of the Freshman class; Mr. H. L. Wilson of Manning, in the Pre-Medical course. This is Mr. Wilson's last year at Clemson as he will complete his course this year and will then take up his studies at a Medical college.

The thirtieth session of the College opened on Wednesday, September 6. The present session is divided into two semesters, the first semester beginning on September 6 and ending January 27, the second semester beginning on January 28 and ending with commencement on June 3, 4, and 5, 1923. The present total enrollment for the season of 1922-23 is 1,005 against 1,007 for last session. Work has already begun in earnest. Uniforms have been ordered and some have been delivered, rifles and equipment have been issued, and all classes are being attended, no time being lost in arranging schedules and getting started in full swing. All indications point to one of the most successful years in the history of the College.

Football practice is well under way now and all arrangements have been made for the convenience and comfort of visitors at the opening game of the season on September 30. Clemson meets Center on that date and the game promises to be one of the best of the season. Center will be remembered as defeating Harvard 8 to 0 last fall and nothing but a better game can be expected. Tickets are now on sale in Greenville, Anderson, Seneca and other nearby towns and cities, or they may be ordered direct from Prof. D. H. Henry at Clemson College. Various estimates of the number of people that will attend have been made and seem to indicate that between four and five thousand people will witness the contest.

Mr. Joe Burgess of Greer, but formerly of Manning, was a visitor here last week with his brother, who entered Clemson this year.

Mr. J. Leon Harvin of Pinewood, formerly a resident of Clarendon County but now of Sumter County and who received his diploma here last June, is now assisting Prof. W. B. Aull of the Division of Bacteriology.

CARD OF THANKS

To The Voters of Clarendon County: I wish to take this means to thank you for the magnificent vote which you gave me in the Primary of Aug. 29th. Also I am grateful to my friends all over the county for their enthusiastic and untiring efforts in my behalf. In my campaign I endeavored to teach clean politics and although defeated, I bear no ill will towards any one. In a battle the objective is not always gained in the first attempt. C. E. Langston.

MEN FOUND NOT GUILTY

Forsyth, Ga., Sept. 12.—Troy Rains, Nathan Unice, Gordon Herndon and Hector L. McSwain, of Macon, charged with murder in connection with the lynching of John Glover, negro, were late today found not guilty by a jury in the Monroe Superior court at this place.

CLARENDON YOUTH GOES TO CAMP PERRY

Sam Rigby, who finished the tenth grade at the city schools here, has been selected as the second best marksman among several hundred boys attending the military reserve camp at Camp McClellan, Ala., to represent South Carolina at Camp Perry, Ohio. This selection from the C. M. T. C. gives him by the government a four weeks' course in military stunts at Camp Perry. The camp is located on Lake Erie in easy distance from Detroit, Cleveland, Buffalo and other cities, also Niagara Falls. Week-end passes are given the boys to tour these places, which is a valuable educational opportunity. These boys are under 22; Rigby is 17. The captain of the field artillery, A. R. R. Reeves, in a recent letter to Rigby's father, J. W. Rigby, writes: "Your son has made a good soldier. He is a clean-cut, manly fellow and the kind I like to have. He has been out for the rifle team and has made it, which is quite a distinction as only about eight men out of the 2,800 here will get to make the trip to Camp Perry Ohio. The artillery battalion has two men on the team, and, as we are the only organization not armed with the rifle, we are feeling very 'cocky' over getting two places."

The boys from Manning who attended Camp McClellan were: Robert DuRant, Ralph King, Conner Wells, Fred Cheung and Sam Rigby. All have returned home except Rigby, who, after completing his four weeks' course at the national C. M. T. C. artillery battalion, Camp Perry, will return October 1.

NOTED SPECIALISTS TO SPEAK HERE IN COUNTY

Mr. N. E. Winters of Clemson College, one of the South's noted authorities on cover crops and soil building, will speak at the following points next week.

Trinity at 11 a. m., Tuesday the 19th, Davis Cross Roads at 3:30 the same day and Panola at 8:00 that night.

On the 26th he will speak at New Zion at 10:30 a. m. and that afternoon at Turbeville at 3:30.

The Panola people hope to have the speaking in their handsome new school building, and the ladies of the community will serve ice cream and cake. Possibly other features will be added.

Mr. Winters is a charming speaker, and has a message that will be of untold benefit to his hearers. His wide experience as a practical farmer as well as a scientist equip him wonderfully well to be of help to us at this time. Mr. Winters farmed for a number of years in one of the worst boll weevil sections of Texas. The lecture will be profusely illustrated by the use of charts, etc.

I could not get the services of Mr. Winters for a longer period of time so am unable to hold any more than the above number of meetings. I have endeavored to place these so as to be in reach of all and I trust that our farmers will avail themselves of the opportunity offered. Everybody is invited—come out and hear the "Billy Sunday of Agriculture."

W. R. Gray, County Agent.

OFFICIALS ARE CENSURED

Pittsburg, Sept. 12.—A coroner's jury investigating the fire which destroyed a Pennsylvania Railroad roundhouse here, September 3, with a loss of seven lives, tonight returned a verdict censuring officials and employes of the company for the condition of the building and holding that the blaze was accidental.

McLEOD IS GRATEFUL TO PEOPLE OF STATE

Columbia, Sept. 12.—Thomas G. McLeod, nominated for Governor of South Carolina in today's Democratic primary, tonight issued the following statement:

"My first impression is a feeling of profound gratitude to the men and women of South Carolina for their zealous and unselfish support during the campaign.

"To the people of South Carolina, I desire to say that the keen interest shown in the issues of the campaign makes the result an endorsement more of the principles that I advocated than of myself.

"I shall endeavor as far as within me lies to see that the affairs of the State are economically managed. We are living in times of depression and the hand of adversity falls heavily upon many. There must therefore be a fair and just distribution of taxation we must not take a backward step and a fair and just distribution of the burden means the maintenance of efficiency.

"South Carolina has no foreign element, our white citizenship are all one people with the same traditions, hopes and aspirations and I sincerely trust that there will be no lines of division but that together we may work out the destiny of a vigorous and valourous Commonwealth. I realize the great responsibility that I will assume as Governor and most earnestly beg the cooperation of all citizens, their sympathy and their prayers in my efforts to impartially administer the affairs of this State. I am leaving it as I entered it without malice. I have no bitterness and covet the good will and sympathy of every one. It is my purpose to work out our problems for the best good of all. I will be to Governor of all the people."

ANNOUNCEMENT PARTY

Misses Lynne DuRant and Carolyn Plowden entertained most charmingly Thursday afternoon at the home of Mr. and Mrs. DuRant, when they announced the engagement of Miss Mary E. Dickson and Mr. Walter High of Whiteville, N. C., the marriage to take place in October.

After a few hands of progressive rick a delicious salad course was served, carrying out a color scheme of yellow. As the wedding march was played by Miss Plowden, little Olive Harvin appeared dressed as a bride carrying a brides bouquet of ferns and roses. Tied to the bouquet was a wedding ring which she placed on Miss Dickson's finger, and to each guest she gave a small sack of rice which was showered upon the bride-elect. On each sack was written M. D. and W. H. October 1922. In the center of the brides bouquet was a silver tea ball, given to the honored guest as a souvenir of the occasion.

Those enjoying this pleasant surprise were: Misses Vallye and Mattie Appelt, Helen and Irene Plowden, May Harrelson, Torá Bagnal, Leila M. Dickson, Maude Sprout, Mildred Brown, Reita Higgins, Rose and Mildred Ervin, Fannie James Davis, Gertrude O'Brien, Mary E. Dickson, Mattie Venning, Carolyn and Jeannette Plowden, Georgia Sauls, Allen Rigby, Frances Harvin, and Barnwell Higgins.
