BRIDGE NEEDED.

Mr. J. W. Hook of Irmo sets out very pointedly in a communication in this issue of The Dispatch-News the need for better means of communication the county seat and his section of the county.

GOOD OFFICIALS.

It was a pleasure during our rounds the past week with Treasurer Leaphart and Auditor Dent to watch these competent officials handle the crowds that came to "render unto Caesar."

A CASE OF "MANNERS."

The other morning we heard a conversation between men from the North on the train who were quite pronounced and offensive in their dislike of the South in general and South Carolina in particular.

A TANGLED SKEIN.

A serious problem will confront the country on the first of the year when the railroads of the country are returned to their owners.

MORE WORK NEEDED.

The sponsor the United States is relieved of the troublesome anarchistic elements which have made so much disturbance of late the better off we will be.

Everybody can't be a profiteer, but a lot of people are trying mighty hard.

Wall paper may again be used to print newspapers on if the scarcity of white paper continues.

The Rock Hill Record fears that silver coins may go out of fashion, because of the advance in the value of bullion.

Don't forget the Red Cross Christmas seals.

Do your Christmas profiteering early.

Our idea of the supreme courts decision in the Charleston election muddle is that it was decided a "dog-fail."

No matter if the government gives up the railroads there will still be a few things and emperors traveling incog. as Pullman conductors.

Since the coming of the fine frosty mornings the hog population of Lexington is doubtless decreased.

The Columbia market when completed will prove a great—to our grandchildren.

If you want to avoid contagious diseases eat garlic—nobody will come close enough to give them to you.

DON'T RISK NEGLIGENCE.

Don't neglect a constant headache, sharp, darting pains or urinary disorders. The danger of dropsy or Bright's disease is too serious to ignore. Use Doan's Kidney Pills as have your friends and neighbors. Ask your neighbor, A Lexington case.

Lewie Hall, Jeweler, Main St., says: "Kidney trouble bothered me in the worst way some years ago. Often I had to stay away from my business, I was so bad off. Dizzy spells bothered me and my sight was affected. My back ached all the time, and it was hard to bend over. The kidney secretions passed too often and broke my sleep at night. I felt tired out all the time, and at times the kidney secretions were highly colored and contained sediment. I tried different remedies, without getting relief, until I used Doan's Kidney Pills. It wasn't long before Doan's cured me of all the trouble, and I haven't been bothered since."
