

Goods Road Meet Swansea Friday

Special to The Dispatch-News.

Swansea, Nov. 17.—A meeting of the citizens of Bull Swamp, Sandy Run and Platte Springs Townships has been called to meet at Swansea, Nov. 21, to discuss the question of good roads with the legislation delegation. County Commissioner W. W. Furtick, who is interested in the improvement of the roads of Lexington County, has been active in working up this meeting and he is expecting a large attendance. Senator Ridgell and other members of the delegation have promised to attend and give their ideas as to the most practical plan for securing improved roads and it is hoped that a large crowd will be present to hear them.

TANLAC QUICKLY GAVE MUCH AID

"All My Ailments Have Been Relieved," She Says

HAD SUFFERED MUCH

Declares She Is Glad To Recommend Tanlac As "A Fine Tonic."

"When I had taken the first bottle of Tanlac I was in much better health generally and all my ailments had been relieved," declared Mrs. M. J. Casey, of 30 Kennedy St., Spartanburg, S. C., in a statement describing the painful ailments with which she suffered, and telling of the great improvement Tanlac quickly made in her condition. Mrs. Casey's statement follows:

"I suffered from stomach trouble and I just felt badly all over," said Mrs. Casey. "I was tired and no account all the time. My appetite had about left me, and it was seldom that I ever could find anything to eat that I really wanted. Everything I ate hurt me, and after meals I felt puffed up about my stomach. I had heartburn also. In fact, I nearly burnt up with it. That ailment was awful.

"Frequently I had dizzy spells and headaches. My general health was bad. I knew I needed some kind of medicine, but it seemed that I just could not find what I needed. But at last I decided to try Tanlac. The medicine gave me quick results, and I certainly can praise Tanlac for the way it improved my health.

"When the first bottle was taken I was in much better health generally and all my ailments had been relieved. It gave me a good appetite and helped that heartburn right away. I am glad to recommend Tanlac, for it is such a fine medicine, and I will get more of it if I ever need it again.

ent to hear them.
The levying of the \$5 road tax for 1920, which is being paid this year, is causing a good deal of discussion and some complaint. The disposition of the majority, however, seems to be one of willingness to pay, providing results are obtained. They want the money which they pay used for the roads in their own section—in other words they want to be shown some results of the money they are paying. Considerable interest has been worked up in the meeting next Friday and a big crowd is expected.

A Humorist

Two Tommies, dishevelled, torn with wounds, and altogether untidy, were on leave in London. As they stood in Trafalgar Square there approached a detachment of the Windsor Guards in silver trappings, waving plumes, red coats, long varnished boots shining like mirrors and kid gloves.

The Tommies looked on in silence for a moment and then one of them nudged the other.

"Looka, Bill" he whispered in an awed voice. "Them's sojers!"

"I suppose Crimson Gulch is quieter since the bar closed."

"Not yet," said Cactus Joe. "All you have got to do is to say 'prohibition' and everybody begins to argue at the top of his voice."—Washington Star.
